News of the Week!

In the news this week

This year marks the 80th anniversary of the United Nations (UN), an international organisation founded after the Second World War in 1945, to help countries work together and prevent future conflicts. Today, 193 nations are members, and the UN works on issues like peacekeeping, human rights, health, and climate change. Leaders and communities around the world are reflecting on how important working together is in solving global problems.

Things to talk about at home ...

- > Why do you think countries made the decision to work together?
- > What problems today do you believe countries need to solve together? Ask others at home what they think.
- > Come up with different ways we can be 'peacekeepers' in our own families, schools, or communities.

Book Swap Event

Don't forget that next Friday 24th October will be our first book swap event. We are asking all children to bring in an age-appropriate pre-loved book that they have enjoyed but would like to swap. The Children can then enjoy their new books over the half term break. We will then encourage children to complete a Book Review too which will then be displayed in their classrooms for others to look at and be inspired by.

Bikes to School

It is wonderful to see so many children cycling to school. However we do ask that as soon as the children arrive at school they are parked up. We are unable to have children cycling around the playground before and after school due to the amount of people in the school grounds. We need to keep everyone safe. Please only get on your bike when you are leaving the school grounds.

Parents Coffee Morning at Sandiway Primary School

We are delighted to welcome Kathryn Alexander from **SPOTSS** (Sensory Processing Occupational Therapy Support Service) to our upcoming parents' coffee morning on Thursday 13th November at 9.15am.

The SPOTSS team provides training, signposting, and resources for schools across Cheshire West and Chester (CWAC) and Cheshire East (CE). Their aim is to help introduce sensory processing approaches and offer practical tools for working with parents and young people to identify and implement effective sensory strategies that support children's regulation in school.

Kathryn will be able to share information and also answer questions and give advice.

If you would like to join us for the coffee morning, please email senco@sandiway.cheshire.sch.uk so that we can plan and organise the event.

Homework

This week will be the last homework sent out before half term. We still encourage all the children to continue reading over the half term as much as possible. TT RockStars is also something the children can continue with as and when over the holidays.

Enrichment Clubs

Enrichment Clubs and Club Rock amendments – Bookings and amendments for next half term

Enrichment Clubs

Please find attached our enrichment club offering for next half term. Bookings will go live tomorrow, Thursday 16th October at 6pm. If you book a place in an enrichment club which means that you no longer need a place in Club Rock, please ensure that you cancel this in IPAL before Monday 3rd November to avoid your session becoming payable via our unique school link : [iPAL: Booking, payment and management system - Dashboard](#)

IPAL amendment and cancellation period

IPAL is now open for cancellations and amendments and will close on Monday 3rd November. Please remember that all bookings after this day are payable and no refunds will be offered.

Hot Chocolate Friday....

Well done to all our children who all won Headteachers Award on Friday 10th October for sharing our ROCK Values.
