News of the Week!

Let's look at this week's story

The poster shows a McDonald's Happy Meal box.

Think about: Have you ever been to McDonald's before? If so, what have you had to eat or drink there? Does everyone in your family enjoy the same things?

It has been in the news that the Happy Meal box was recently changed from colourful to white, so children could draw on them.

Think about: Has anyone seen these white Happy Meal boxes? Has anyone drawn anything on them?

McDonald's wanted children to draw and talk about how they are feeling. They know that sometimes we can feel happy, sometimes sad, sometimes angry, and sometimes excited for many different reasons.

Think about: Do you think drawing to help you talk about how you feel is a good idea? Why?

Cancer Research UK Fundraiser

Thank you so much for all your support for our fundraiser which took place last week. Your kind donations of cakes, homemade goods and tombola prizes helped to make the day an amazing success. Despite the incredibly cold weather, spirits were high and fun was had by all. A special mention to Thomas who was the driving force behind the event and the children of Year 5 who ran the stalls with enthusiasm and a big smile on their faces. We are very proud of them all.

If you wish to find out more about what this wonderful charity does you can visit their website here : www.cancerresearchuk.org
Thomas and the Club Rock family raised an incredible **£747.32!** You can still donate online via School Gateway up until 30th November.

Weekly Newsletter

Money and Outstanding Payments

Can we remind all parents and carers that any money outstanding for lunch or snack is to be settled and up to date before the end of term. We also ask that if your child has any trips coming up that they are paid for prior to the date of departure. If you have any concerns please contact the school office.

Car Parking

We continue to hear about challenges on the Parish Car Park at pick up and drop off times. As a school we are incredibly lucky to have this area to park in. It is a privately owned car park, belonging to the Parish Council. Members of the public also continue to use the space at pick up and drop off times. We ask that you continue to show courtesy and tolerance towards others when dropping off your children or picking up at the end of the day. In school, we relate our choices to our ROCK values (Respect, ownership, care and kindness) and we kindly request that this is considered at these more challenging times of the day. We appreciate your patience and thought to ensure our children arrive and leave school safely each day. Mr Hand continues to support, wherever he can.

Hot Chocolate Friday....

Well done to all our children who all won Headteachers Award on Friday 21st November for showing Kindness.
