News of the Week

In the news this week

Famous online creators have come together at the 1 Billion Followers Summit in Dubai to talk about how their influence affects people around the world. Influencers at the event use their fame to share kindness, as part of the '1 Billion Acts of Kindness' campaign. One of the most well-known creators, MrBeast, has encouraged millions of people to take part, using his videos and social media to inspire positive actions.

Things to talk about at home ...

- Talk to someone at home about the summit and the campaign. Do you think lots of people will choose to take part? Why?
- Share who influences you. Talk about how some of the people we admire or look up to are well-known or famous, and others may be family or friends.
- Ask someone at home about who influenced them when they were younger. What impact did they have?

Welcome Back

Staff and children alike were delighted to welcome Mrs Bertram back to school this week. We are looking forward to seeing more and more of her as she gradually returns to work over the next few weeks. Mrs Harvey will be working closely with Mrs Bertram and will therefore continue in her non-teaching role for the next few weeks. Year Four will continue to be taught by Mrs Gotting and Mrs Atkinson/Mrs Hopkins.

Morning Drop Off

We would just like to reiterate the message that school does not take responsibility for children in the morning until 8:45 when the doors open and the bell rings. It is therefore parents and carers responsibility up until this time even if the children are waiting outside, on school property.

Please avoid dropping children off on the road side by the Millennium Gate on Norley Road.

We also ask that our younger children are not dropped off on the Parish Car Park and expected to walk into school on their own. As a guideline, we would say that children under Year Five should be accompanied. Older children who walk to and from school have a pre-arranged agreement with school. We understand how busy the car park gets at these times but the children's safety and well-being is our priority. Many thanks for your attention to this.

School Uniform

Buccaneer our local supplier of school uniform have informed us that they are currently running a promotion across all uniform products. Please take a look at their website and use the discount code if you need any supplies. <https://northwichschoolwear.co.uk/>

Early Reading and Phonics Workshop

Miss Kennedy is looking forward to welcoming as many parents and carers as possible to her online meeting next week on **Tuesday 20th January at 4pm**, where she will discuss how the children learn phonics and how you can support the early reading process. The meeting is aimed at parents and carers of **Reception and Year One children**. The link to the meeting will be sent out shortly.

Fire Safety Assembly

We were delighted to welcome the Fire Service for a highly engaging and informative assembly. The children learned all about the importance of fire safety and how to keep themselves safe in different situations. They really enjoyed the session and particularly enjoyed taking part in the interactive fire safety quiz, which helped reinforce key messages in a fun and memorable way.

We encourage families to quiz the children at home to see what they can remember and to take the opportunity to discuss your own family fire safety action plan and routines together.
