News of the Week!

In the news this week

Brynteg School in Wales has said that from September, skirts will no longer be part of the school uniform. Instead, all children will wear trousers or shorts. The school says this will make the uniform more practical and fairer for everyone, but some parents and pupils have different opinions about the change. This announcement has added to discussions about school rules, fairness, and whether uniforms should be the same for all children.

Things to talk about at home ...

- Talk to someone older at home about your and their experiences of school uniform. Have they changed over time?
- Share your thoughts on the changes Brynteg School is making. Do you feel they are positive changes?
- If you could create your own uniform, what would it look like?

Year 6 Residential—Winmarleigh Hall

Last week our Year 6 children headed off to Winmarleigh Hall for their residential, and what an unforgettable few days it turned out to be. These trips are always special, but this year's group truly made us proud. From the moment they arrived, the children threw themselves into every activity with enthusiasm and determination. Whether they were climbing, tackling team challenges or trying something completely new, they showed real bravery and a willingness to step outside their comfort zones. For many, it meant facing a few nerves along the way—but it was wonderful to see them encouraging one another and celebrating each other's successes.

What stood out most was the way the children supported each other. There were so many moments where a kind word, a cheer from the ground or a helping hand made all the difference. Their teamwork and positivity were noticed not just by the staff who accompanied them, but also by the instructors at the centre, who commented on how polite, respectful and enthusiastic our children were. They represented Sandiway brilliantly and were fantastic ambassadors for our school, truly living out our ROCK values throughout the trip. We saw resilience when activities were challenging, ownership as they took responsibility for themselves and their belongings, collaboration in the way they worked together, and kindness in how they looked after and encouraged their friends.

Residential visits are about so much more than the activities themselves. They are about building independence, strengthening friendships and creating memories that will last a lifetime. It was lovely to see the children grow in confidence over the course of the week.

We are incredibly proud of each and every one of them. A big thank you also goes to the staff who gave their time to make the trip possible and support the children throughout. Well done, Year 6—you were amazing!
