News of the Week!

In the news this week

During China's Lunar New Year Gala, one of the world's most-watched TV shows, humanoid robots danced and performed kung-fu moves on stage. The robots could spin, jump, and move in time with music, showing how fast robotics technology is developing. Other Chinese-designed robots appeared at New Year celebrations in New York, USA. The performances have sparked global conversations about how robots might be used in future entertainment and everyday life.

Things to talk about at home ...

- > Have you ever seen a robot before? Where was it?
- > Do you think robots should be used for entertainment, work, or both?
- > What are some of the things that people can do that robots can't?
- > If you could design a robot, what would it do and why?

Year 5 Trip to AeroZone

Year 5 had an amazing day at AeroZone at Manchester Airport. We were given the opportunity to experience a range of jobs at the airport and role play these careers. These included: being a pilot, flying a plane across the Alps; working in duty free, selling lots of goodies to the passengers; working in security, checking hand luggage for any suspicious items and using the hand held detectors to ensure the passengers were safe to fly; and checking passengers in for their flights.

In addition to this, we were given a tour of Terminal 2 and shown the departure boards, check in desks and security. We also had a visit from Andrew who is Head of Compliance. He spoke to us about his role at the airport and answered lots of our questions. We thoroughly enjoyed our day and were very lucky to have had this opportunity.

Volunteer Day—Saturday 14th March 2026

Don't forget that on Saturday 14th March PTA are having a volunteer day at school. The site will be open from 10am—1pm, if you have a spare few hours to help the team in the school grounds we would be really grateful of your support, everyone is welcome!

Gingerbread Socks

On Friday 20th March, Sandiway Primary school will be celebrating and supporting World Down Syndrome Day. Emma Harris and her dad started the gingerbread biscuit campaign in March 2016 to give something back to the charity for supporting them throughout Emma's childhood. Since then, it has gone from strength to strength selling tens of thousands of biscuits. 100% of all the proceeds go to Down Syndrome Cheshire to continue to support people with Down Syndrome to live the life they choose in our community. On this day we would like the children to wear brightly coloured socks and bring a minimum of a £1 to buy a gingerbread sock.

Hot Chocolate Friday....

Well done to all our children who all won Headteachers Award on Friday 6th March 2026 for showing Respect.

Rec Class – Jemimah
 Year 1 – Piper
 Year 2 – Seth
 Year 3 – Eleanor
 Year 4 – Alysha (All YEAR 4)
 Year 5 – Amelia
 Year 6 – Zak and Elsie
 Club– James
 Office - Freddie
 Andy – Sebastian and Teddy
 Music—Sophie
