News of the Week!

In the news this week

An 82-year-old runner, Eileen Hieron, has shown that age hasn't stopped her trying something new. She only started running in her 70s and ran her first marathon at the age of 74. Since then, she has completed nearly 10 marathons and even won her age group at the London Marathon. This Sunday, runners from all over the world will take part in the 2026 London Marathon, and stories like Eileen's are inspiring others to think about whether it's ever too late to try something new.

Things to talk about at home ...

- > Have you ever tried something new that felt difficult at first? What helped you keep going?
- > Do you believe age should matter when trying something new? Why or why not?
- > Is there someone you know who has tried something new later in life? What have they done?
- > Why do you think people take part in challenges like the London Marathon?

Welcome Back

Welcome back to the Summer Term. I hope you all had a restful and enjoyable break and are feeling refreshed for the term ahead. The summer term is always a special time in school, filled with opportunities for growth, celebration and memorable experiences for our pupils.

Firstly, I would like to thank you all for your kind words and warm wishes following the news that I will be leaving at the end of this academic year. Your support and generosity have meant a great deal to me. You truly are an incredible community and it is one that will always hold a special place in my heart.

I am very much looking forward to continuing our journey together over the coming months. There is so much to look forward to this term and I am excited to see our pupils thrive, achieve and enjoy all that lies ahead.

Thank you, as always, for your continued support.

Easter Holidays Improvements—A Huge Thank You!

Over the Easter holidays, our school grounds have been transformed and we would like to extend a huge thank you to the wonderful companies and individuals who gave their time, skills and effort to improve our quiet area and pond area.

Thanks to the hard work and generosity of Anwyl Homes (with special thanks to John Grimes), WPI Civil Engineering, WLG Landscapes, and Forshaws Fencing, our quiet area has been beautifully enhanced. It will now be an even more welcoming and peaceful space for our children to relax, reflect and enjoy time outdoors.

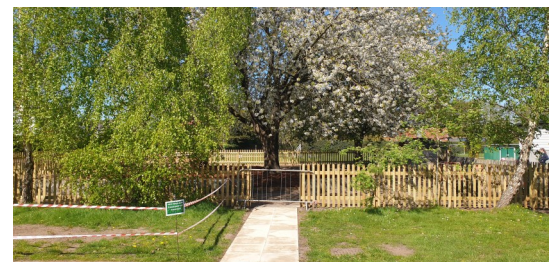

We are also incredibly grateful to Geff Leech of Leech Property Maintenance for the fantastic work on the covered area roof, ensuring the space can be used comfortably in all weather.

A special thank you goes to David Wild for painting the playground and planter areas, adding colour and vibrancy that the children are already enjoying.

None of this would have been possible without the continued support of our PTA, whose fundraising efforts help bring projects like this to life.

We feel very lucky to have such a supportive community. These improvements will make a real difference to the children's day-to-day experience and we are truly grateful to everyone involved.

Thank you once again for your generosity and hard work!

Celebrations

Congratulations to Harvey in Year 4 who represented Cheshire Gymnastics at the weekend in a 6 piece gymnastics competition. Harvey completed in the U8 with 26 other athletes from all over the North West. Congratulations for receiving a silver medal for your floor routine. A real Sandiway Superstar!

Well done to Year 5 for their amazing performance at the Northwich Sings Event at the Northwich Memorial Court Theatre which took place on Thursday 23rd April, what great representatives of our School, they all shone and made everyone proud.

Summer Term Reminders

With the warmer weather, please make sure children come to school wearing sun cream. If they need to reapply during the day, you're very welcome to send a labelled bottle in their bag. We recommend children bring a hat for break and lunchtime—please ensure it is clearly labelled.

At the end of the day, we kindly ask that you leave the premises promptly for safeguarding reasons, as outdoor spaces are used for after-school clubs. Thank you for your understanding.

If your child has an appointment during school hours, please email proof of the appointment to the school office in advance so we can keep our records up to date

For residential or trips with a cost, we kindly ask that payments are made in advance. If you would like to discuss this further, please feel free to arrange a meeting with Mrs Bertram.

Hot Chocolate Friday....

Well done to all our children who all won Headteachers Award on Friday 27th March 2026 for showing Owner-

Rec Class – Ella
 Year 1 – Jules
