## In the news this week

This week, countries from across Europe and beyond are taking part in the Eurovision Song Contest. Each country performs a song, and millions of people watch and vote for their favourites. The contest celebrates different styles of music, languages, and cultures from around the world.

- > What kind of music do you enjoy most, and why? Does everyone in your house enjoy the same music?
- > Why do you think people from different countries enjoy listening to music together?
- > Do you believe competitions like Eurovision are fair? Why?
- > In your view, does music bring people together, or can it sometimes divide opinions?
