News of the Week....

In the news this week

Teenage sisters, Tala and Farah Mousa from Gaza, have created a project called Build Hope. They collect rubble from damaged buildings, crush it, and mix it with materials such as clay, ash, and straw to create new bricks to be used for rebuilding communities. The sisters developed the idea while living in a tent after their home was destroyed during the war in Gaza. Their venture won The Earth Prize, a global environmental competition for young people, for the Middle East region.

Things to talk about at home ...

- > Do you think young people can make a real difference in the world? Why?
- > Have you ever turned something old or broken into something new or useful?
- > Share what the word 'hope' means to you.
- > What can help people stay hopeful during difficult times?

Sports Day and PTA Charity Colour Run Event

We are delighted to confirm that the revised sports day has been confirmed for Friday 10th July.

Again KS1 in the morning and KS2 after lunch.

We are also pleased to share that after school on Friday 10th July PTA are hosting a Colour Run for Charity. This will take place at 3.30pm after school. PTA will provide details for booking your child on to this fabulous event.

We are asking all children to wear their normal PE shorts and an old white t-shirt for the day so that should they participate in the Colour Run this t-shirt is suitable for the event. The paint is washable.

All sports day participants wear coloured bibs provided by the PTA so their old white t-shirt will be underneath during the day.

Once again thank you for your understanding with the change of date. We hope for sunshine next month.
