News of the Week....

In the news this week

Filmmaker, Pixar, has shared that the new Toy Story 5 film will explore how children are spending more time using screens and digital technology. In the story, the toys worry that tablets, video games, and other devices are becoming more popular than traditional toys. The film has highlighted conversations about how childhood and play are changing.

Things to talk about at home ...

- > What games or toys do you enjoy playing with most at home? Why?
- > How much time do you believe people should spend using screens each day?

- > Can digital technology and traditional toys both be important? In what way?

World Cup Football Comes to Sandiway Primary School!

Get ready for an action-packed day of football, fun and celebration as the World Cup comes to Sandiway Primary School on **Thursday 25th June!** The children will be stepping onto the pitch representing countries from across the world and will compete against others in their own Key Stage in mixed teams:

The event will be led by Mr Ault and Mrs Tucker and promises to be a fantastic day filled with teamwork, great sportsmanship, football skills, laughter and, of course... plenty of singing! To help everyone get into the World Cup spirit, children are invited to wear their sports kit or football kit for the day.

Please remember that children will still need to bring a water bottle into school. We can't wait to see the teams in action and find out which country will lift the Sandiway World Cup trophy!

Year 6 Cancer Research Stall

On Monday and Tuesday this week a wonderful group of Y6 girls ran a stall to raise money for Cancer Research, which is a charity close to all their hearts. They impressed everyone by selling handmade bracelets, keyrings and fidgets, alongside exciting activities like a teddy raffle, a book stall, a lucky dip and a fun “Name the Teddy” game.

Their stall was bright, welcoming and full of enthusiasm, encouraging many of the children to stop, take part and donate. Thanks to their hard work and brilliant ideas, they raised a wonderful amount of money for Cancer Research while spreading smiles throughout the day. The girls made a total of £387.08.

The stall was created and run by Jessica, Ruby, Elsie, Charlotte and Alice. The girls have put a huge amount of hard work and time into running the event and we are all extremely proud of their achievement. Well done girls, you are such an inspiration.

Tennis Tournament

This week, eight enthusiastic and talented tennis players represented our school at Hartford Tennis Club, joining six other schools in the Year 3/4 Tennis Competition.

Our young athletes showcased their developing skills, determination, and excellent knowledge of the game, with some players winning a large proportion of their matches. There were some thrilling encounters, with intense rallies and impressive engagement on display throughout the event.

A huge congratulations to all of our players for their fantastic effort, sportsmanship, and commitment. It was wonderful to see their confidence grow as they competed against other teams Who knows... perhaps Mrs Tucker was watching a future Wimbledon star in action!

Many thanks as always to family and friends for taking, collecting and supporting our children.
