Kindness

This half term our focus is on both keeping safe and being kind. Kindness is one of our school ROCK Behaviour Values so our Headteachers Awards this term will largely be presented to children who have shown kindness in and around school. In both assemblies and class time, we have been considering what kindness can look like from a simple smile, a quick thank you to using our initiative to support someone or showing empathy and consideration to others. We continue to also consider how we can resolve potential disagreements through kindness rather than escalating a conflict. This work also reminds us of our British Value of mutual tolerance and respect. Being responsible and socially aware is something we value and promote consistently throughout school.

Reception and Year 1 Phonics and Early Reading Workshop

Just a reminder that this event is being held in school on Tuesday 29th September. Miss Kennedy is looking forward to welcoming as many of you as possible. For those that can not make this time, the PowerPoint slides will be made available to you following the meeting.

Smart Watches

Following the brief communication sent out earlier this week, we would like to reiterate the message of not wearing Smart Watches at school. Analogue or digital watches are fine but not smart watches that can play games/take photographs/ link to phones etc.

Unwanted use of School Grounds

We are aware that people are getting into our grounds without permission in the evenings and particularly at weekends. We have a football club who use our pitch on a Saturday morning but otherwise the school site is closed to all. If you see anything or know of anyone accessing the school site we ask you to contact the police or let us know as soon as possible. Our PCSO is also aware of potential trespassers.

Emails to School Office

Can we please remind all families that when emailing the school office please do so via the email admin@sandiway.cheshire.sch.uk with your child's full name, year group and intended recipient of the email so that we can forward on to the correct people as swiftly as possible. Please refrain from replying to emails via school gateway, this is a one way system of communication.

Build A Burger Lunch—Thursday 1st October

Our lovely chef and his team have organised a 'Build a Burger' Lunch next Thursday 1st October. Book via School Gateway to not miss out!

News of the Week

In the news this week

Nepal has announced that its wild tiger population has more than tripled, rising from 121 tigers in 2010, to 429 today. Officials say the turnaround is the result of years of protected wildlife corridors and local communities working hand-in-hand with conservationists to protect the big cats. With tiger numbers now increasing, more encounters between tigers and nearby villages are leaving experts asking how people and wildlife can safely share the same land going forward.

Things to talk about at home ...

- Do you think it's fair that wild animals need the same land that people want to use? Why?
- If you lived near a forest with tigers, would you feel excited, nervous, or both? What would help you feel safe?
- Is there an animal, plant, or wild space near where you live that you believe deserves more protection? What would or could you do to help it?

TAKEHOME

Hot Chocolate Friday

Well done to all our children who all won Headteachers Award on Friday 17th September for showing Kindness.

Attendance

Weekly attendance w/c 14/09/26

Year Rec	97.12%
