Health and Safety

We have had a busy week in terms of managing the Health and Safety of the school. Staff have participated in fire safety training, we had our annual Health and Safety Audit as well as our termly Fire Drill practise. The children managed themselves very well and are aware of their role upon hearing the fire alarm in school. Well done everyone!

Fond Farewell to Julie

It was with sadness that we bid a fond farewell to our amazing cleaner, Julie. She has worked at Sandiway for a number of years and will be greatly missed by the Sandiway Team. We send her our very best wishes as she moves away from cleaning to her next adventure!

Cauliflower Christmas Cards

I know it seems early, but we have been busy preparing our Cauliflower Christmas Card designs in the hope that you may wish to purchase these to use around the festive season. The children should have bought their lovely designs home and are ready for you to order at www.cauliflowercards.co.uk/parents-shop. Please use the unique code on your child's design to order. Please note all designs purchased need to be returned to school by Friday 9th October at the very latest so they can be sent to the printers.

Storyhouse Pantomime Visit

As part of our Storyhouse partnership (funded by the PTA), we get a designated number of free tickets which we have chosen to use to enable all our children to visit the Storyhouse and see their production of Rapunzel on Monday 7th December this year.

The PTA have kindly said they will then fund the remaining cost of the tickets. We will just be asking for a voluntary contribution towards the cost of the coach. You will receive more information shortly but we are very excited at the prospect of taking the whole school to the theatre.

News of the Week

In the news this week

The government has announced plans to make food served in schools across England healthier from September 2027. Under the proposed rules, schools would serve more fruit, vegetables and fibre-rich foods, while deep-fried foods and foods containing lots of fat, sugar or salt would be restricted. Schools would still offer familiar meals, but they would use healthier ingredients and cooking methods.

Things to talk about at home ...

- > Who usually decides what your family eats at home? Do you take turns? Does everyone help choose meals?
- > What are some of the things you think are important to consider when choosing what we eat?
- > If you could suggest one new school meal, what would it be?

Hot Chocolate Friday

Well done to all our children who all won Headteachers Award on Friday 2nd October for showing Kindness.
