Football Festival—Weaverham High School

On Monday afternoon 18 highly competitive boys took part in the Year 5 & 6 Inspire Football Festival, at Weaverham High School.

The Year 6 Team, including Rory from Year 5 as the Keeper, played with enthusiasm and determination. Consistently good defending was key throughout with some exciting mid fielding and striking too.

While Year 5 worked strategically to move the ball along the field scoring some outstanding goals and saving numerous goals too, by Keepers, Alastair & Orson. This team initially gained joint first place but unfortunately lost their position on goal difference. While Year 6 came a respectable 4th place. Huge congratulations to both teams. Your sportsmanship made us proud!

Medication at School

In accordance with the Medical Policy, school is only allowed to keep medication on the premises that has been provided for a medical condition in which parents have completed a 'Permission to Give Medication Form'. For any pain relief medication ie Calpol or Nurofen this can only be given for 48 hours at school again with the necessary forms completed. We can not store pain relief for each individual child 'just in case'. Any medications will be returned to parents at the end of term.

ELS Library Bus Visit

We welcomed the ELS Library Bus this week, the Year 6 Reader Leaders supported each year group to come on board and select new and interesting books for their classroom. We are really grateful to the PTA for this wonderful resource they provide for us.

Book Swap Event

After the great success last year, we are delighted to announce that we will be continuing to hold regular book swapping events on the final day of each half term. The idea behind this is to further engage children in their reading, promoting discussion about authors and genres. This, in turn, will promote the children's love of reading.

We are asking all children to bring in an age-appropriate pre-loved book that they have enjoyed but would like to swap for a new book.

The first event will be held on **Friday 23rd October**. We request that books are sent in good condition. Children can then enjoy their new books over the half term break. We will then encourage children to complete a Book Review too which will then be displayed in their classrooms for others to look at and be inspired by.

We look forward to enjoying lots of book talk!

News of the Week

In the news this week

Meta has created the Muse Charm, a small device that can fit in a pocket or hang from a keyring. The Charm uses Muse, Meta's artificial intelligence (AI), so people can talk to it, ask it questions, and show it what is happening around them. It is designed for adults over the age of 18, and Meta aims to have the new device ready to buy by December.

Things to talk about at home ...

- > Do you use any AI at home or school at the moment?
- > When do you think technology can be helpful in our everyday lives?
- > What rules might help people use an AI companion safely?
- > Talk to someone older at home about what it was like to find information out before the internet, AI and other similar technologies.

Hot Chocolate Friday

Well done to all our children who all won Headteachers Award on Friday 9th October for showing Kindness.
