MUSIC

Friendship song

Reflect, Rewind Re-play

We can't quite believe that we are in the final term of this school year, it has flown by! We have thoroughly enjoyed working with all your children and we're looking forward to spending lots of time learning outdoors within these summer months, hopefully, weather permitting! This term will be spent learning about the world's continents and oceans, a city further afield on a different continent. We will learn about the climate, lifestyle and animals within these areas. Thank you for your support this year and like always please don't hesitate to come in and see us if you have any questions or queries.
