Faith & Serving Our Community

Class	Roles	Overview
Wrens	Faith, Worship & Community	Children take part in Harvest, Remembrance, Christmas and Easter church services. Our daily act of worship supports pupils' spiritual development and understanding of our Christian vision and values: Monday whole-school worship introduces the half-termly value; Tuesday is Songs of Praise; Wednesday class worship explores the value at an age-appropriate level; Thursday worship is led by Chris Gilbert from St Mary's Church; and Friday Celebration Worship is led by our Young Leaders. Values Ambassadors recognise and celebrate children who live out our Christian values, with achievements shared with families through the weekly newsletter. Through PSHE and our value of Thankfulness, pupils learn about serving others, including Harvest donations to Whitchurch Foodbank, Christmas support for KidsBank Chester and Save the Children Christmas Jumper Day. Further charities are supported throughout the year following decisions made democratically by the School Committee.

Robins	Faith, Service & Charity	Children access the same whole-school worship, church services and community opportunities as Wrens, with growing involvement in charitable action and pupil voice. Class representatives contribute to School Committee decisions about charities to support, including KidsBank, Whitchurch Foodbank, the Christmas Child Shoebox Appeal, Children in Need and Sport Relief. Pupils also learn about and recognise different faiths and religions, developing respect, understanding and appreciation of the beliefs of others.
House Martins	Faith, Service & Community	Pupils build on the opportunities offered in EYFS and KS1, taking an increasingly active role in worship, charitable giving and service to the community. KS2 pupils attend the Remembrance Service at St Mary's Church on Armistice Day, helping them understand remembrance, sacrifice and their place within the local community. Pupils continue to learn about different faiths and religions and contribute to School Committee decisions about the charities and causes the school supports.
Kestrels	Faith, Leadership & Community Service	Pupils build on the full faith and community offer across the school and are encouraged to take on greater responsibility and leadership. Young Leaders represent the school at the community Remembrance Parade and carry the poppy wreath. Children and families are welcomed to the community Christmas Carol Service. Older pupils support worship, Christian values and charitable activities across the school, providing positive role models for younger children and demonstrating service, compassion and responsibility within both the school and wider community.
