

# LACEY GREEN PRIMARY ACADEMY

## Year 6 - Spring 2 - 2026 - Learning Overview

### As Mathematicians, we will...

#### Learn about fractions, decimals and percentages through...

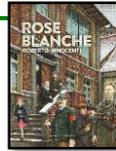

- Calculating equivalent fractions, decimals and percentages
- Finding percentages of amounts

#### Learn about geometry through...

- Recognising that shapes with the same areas can have different perimeters and vice versa
- Recognising when it is possible to use formulae for area and volume of shapes
- Calculating the area of triangles and parallelograms
- Calculating, estimating and comparing volume of cuboids
- Comparing and classifying geometric shapes based on their properties and sizes

#### Learn about number and calculation through...

- Solving problems involving addition, subtraction, multiplication and division

### As Writers, we will...

be inspired by the book *Rose Blanche* by Ian McEwan and Roberto Innocenti.

The book is set in Germany during World War II, as the war unfolds under the perspective of Rose Blanche.

#### We will learn to...

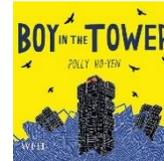

- Write in the style of a diary, ensuring that entries cover what has happened but also offers an authentic voice of the person who we are writing as.

#### We will revise and build on...

- Informal language, use of adverbials, use of parenthesis (including relative clauses) and use of conjunctions for cohesion.

### As Spellers, we will...

- Learn the Y5/6 keywords
- Continue to develop our use of dictionaries
- Continue to develop our spelling of root words, prefixes and suffixes.
- Continue to proof read and correct spelling errors in our writing

### As Readers, we will...

- Continue to develop our love of reading through reading a range of fiction, non-fiction and poetry from our library
- Read with automaticity and fluency
- Explain and discuss a range of texts
- Use skimming and scanning to find key words and phrases
- Make predictions, question, clarify unknown words and summarise ideas within a text
- Use retrieval and inference skills to aid comprehension

### As Scientists, we will learn that...

Natural selection means that living things are better adapted to their environments.

- The theory of evolution describes how living things have developed from earlier forms over the history of the Earth.
- Living things can become extinct if their environments change or they are not adapted to their environment.
- Endangered animals are those at threat of becoming extinct.
- Human action can prevent animals from becoming endangered or extinct.

### As Historians, we will study the World Wars. We will study...

- a significant turning point in British history: why WWII broke out, how it was fought and its impact and legacy.

We will also visit the Imperial War Museum on Wednesday, 18th March.

*Aspire to Achieve*

# LACEY GREEN PRIMARY ACADEMY

## Year 6 - Spring 2 - 2026 - Learning Overview

### Healthy Relationships

#### In PSHE we will...

- Learn about the importance of developing healthy relationships and the dangers of unhealthy relationships

#### In Computing we will use WeDo 2.0 to...

- Design, write and debug programs that control or simulate physical systems and solve problems
- Use sequence, selection and repetition in programs
- Use logical reasoning to detect and correct errors in algorithms and programs

#### As gymnasts and rugby players in P.E., we will...

- Perform in unison with others
- Create sequences with pathways that cross
- Mirror asymmetrical body shapes
- Become more confident when handling and running with the rugby ball

#### As Artists, we will...

- Develop our drawing techniques and skills by creating 3-D art.
- Artist – Stader Wenner

#### As French speakers, we will...

- Describe our family
- Recognise tenses (past, present and future)
- Understand how Easter is celebrated in French speaking countries
- Maintain our pen friend project

#### As musicians, we will compose and perform and learn about...

- Pop and rap music
- Form and structure of a pop song
- Playing an arrangement on instruments e.g. ukulele
- How parts fit together
- Timbre and texture –

#### In RE we will consider the key question...

- Is Christianity still a strong religion 2000 years after Christians believe Jesus was on Earth?
