

# LACEY GREEN PRIMARY ACADEMY

## Year 3 Summer 1 Learning Overview

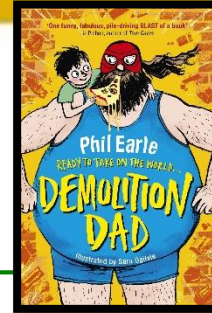

### As Writers, we will...

draw inspiration from *Return* by Aaron Becker.

We will be focusing on **narratives**, with one focusing on description and the other focusing on action.

The children will learn to...

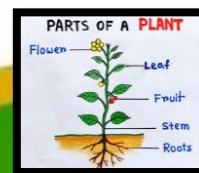

- Use conjunctions to suitably link words, phrases and clauses e.g. (when, before, after, while, so, because, if, although) .
- Use inverted commas to punctuate direct speech.
- Use specific adjectives and prepositions in expanded noun phrases.
- Use prepositional phrases to indicate when or where.

Our class read book continues to be *Demolition Dad* by Phil Earle. We will be reading some more of Phil Earle's shorter novels as well.

As Scientists, we will ... learn about plants and what they need to survive

- Conduct a series of Scientific investigations to explore the conditions needed for plants
- Explore the life cycle of a flowering plant and how their seeds become dispersed

### As Spellers, we will study...

- **Adding -ation to verbs to form nouns** (inform – information, explain – explanation)
- **Words with the c sound spelt ch** (school, echo, chaos, character)
- **Words with the sh sound spelt ch** (machine, chef, parachute)

As Geographers, we will... study the climates and climate zones around the world

**We will learn to be able to.....**

- Describe the difference between weather and climate
- Identify different climates around the world
- Describe the conditions and location of a variety of climate zones
- Describe the weather in the UK.

### As Mathematicians, we will...

- Measure capacity and volume in millilitres and litres.
- Compare capacity and volume.
- Add, subtract and reason with fractions and amounts.
- Add and subtract money and find change.

*Aspire to Achieve*

# LACEY GREEN PRIMARY ACADEMY

## Year 3 Summer 1 Learning Overview

### In personal development we will...

Be focusing on growing and changing.

- Talk about what personal hygiene is.
- Learn how to keep my body clean and why it is important.
- Explain the differences between male and female bodies
- Talk to others about my emotions
- Talk about how emotions can change according to different circumstances

### As Artists, we will look at printing

- Research Gustav Klimt in art journals
- Explore Klimt artwork and create artwork inspired by him

### As programmers in Computing, we will...

Use WeDo Lego to build and program physical systems

#### We will...

- Follow a sequence of instructions to construct a programmable device with Lego bricks.

### As French speakers, we will...

- Learn about where we live
- Learn the Sur le pont d'Avignon song
- Revise questions about ourselves
- Develop opinions

### As Musicians, we will....

Learn to play the recorder/glockenspiel.

- Perform pieces with changes of dynamics, pitch, tempo and articulation in parts.
- Create textures, to depict mood of pieces.
- Listen to various composers of various genres.

### In P.E, we will.....

- Learn athletic events and Outdoor Adventurous Activities

#### We will...

- Use the correct technique to start a race and hurdle effectively
- Throw over arm with power, for distance
- Work as part of a team
- Compete under pressure
- Negotiate with a group
- Plan a route map and follow rules

### In RE, we will.....

consider the key question:

**Sikhism** - What is the best way for a Sikh to show commitment to God?

*Aspire to Achieve*
