

LACEY GREEN PRIMARY ACADEMY

Year 5 Summer 2 Learning Overview

Curriculum Guide for Parents and Guardians

As Mathematicians, we will

learn about **geometry, decimals, negative numbers, converting units of measure and measurement and volume. We will look at:**

- counting through zero
- Translation and reflection
- Kilograms and kilometers
- Units of length
- Metric and imperial
- Comparing volume
- Estimating capacity

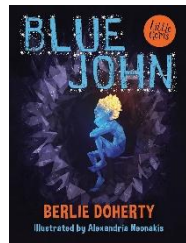

We will continue to recap arithmetic skills that have previously been taught.

Keep practising on Times Table

As Writers, we will....

use our vehicle text, Blue John, to inspire writing

The children will learn to write a balanced argument letter and a narrative.

They will build on the following skills:

- Parenthesis, including relative clauses
- Sentences of three
- Fronted adverbials
- Figurative language
- Repetition for effect
- Subordinate clauses
- Short sentences

As Readers, we will.....

- read with fluency and comprehension
- draw inferences such as inferring characters' feelings, thoughts and motives from their actions, and justifying most inferences with evidence
- give and explain meaning to words in context
- summarise the text

As Scientists, we will be learning about.....

Growing Older

We will learn about.....

- How humans change and grow
- How babies develop into children
- Gestation periods
- Puberty
- Adolescence
- How adults grow into old age

As Spellers, we will....

- continue to develop our knowledge of homophones e.g. **their/there they're**
- learn Year 5/6 words
- learn words with double letters (immediately, suggest, marvellous etc.)

As geographers, we will.....

In geography, our enquiry will be **What are the different Biomes of the world?** We will be advancing our locational knowledge and learning more about the flora and fauna in each biome and considering the challenges of living in these different climates.

LACEY GREEN PRIMARY ACADEMY

Year 5 Summer 2 Learning Overview

Curriculum Guide for Parents and Guardians

In PSHE & RSE we will...

learn about our local community and basic first aid.

In Art, we will.....

Learn about art media: Batik

We will produce work inspired by the artist Wayne Thiebaud

As Computer Programmers, we will....

Become web developers

- use search technologies effectively and appreciate how results are selected.
- understand computer networks including the internet
- use technology safely, responsibly and respectfully

As French speakers, we will...

Revise school subjects + opinions
Learn about Clothes & colours
Revise opinions and reasons
Describe and give an opinion on school uniform

We will also continue our ongoing pen friend project with France.

Homework

Homework will continue to be sent out on **Fridays** and is expected to be returned on **Tuesdays**. Spellings will be given out on **Mondays**.

Children are still expected to read every night for at least 10 minutes. Some children will have a scheme book that will be their priority for reading at home.

As Musicians, we will....

continue to play our brass instruments through the Love Music Trust.

In P.E, we will.....

- Learn how to play cricket and volleyball

In RE, we will.....

consider the key question:

What is the best way for a Christian to show commitment to God?
