

# LACEY GREEN PRIMARY ACADEMY

## Year 3 Summer 2 Learning Overview

### As Mathematicians, we will... learn about **time, shape and statistics** through.....

- Tell and write the time from an analogue clock, including using Roman numerals from I to XII,
- Know the number of seconds in a minute and the number of days in each month, year.
- Draw 2D shapes and make 3D shapes
- Recognise angles as a property of shape or a description of a turn
- Identify right angles, recognise that two right angles make a half-turn, three make three quarters of a turn and four a complete turn
- Identify horizontal and vertical lines and pairs of perpendicular and parallel lines
- Interpret and present data using bar charts, pictograms and tables
- Solve one-step and two-step questions using information presented in scaled bar charts and pictograms and tables

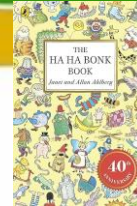

### As Writers, we will...

use our vehicle text 'It was a Dark and Stormy Night' by Janet and Allan Ahlberg. The children will immerse themselves in the text and study the characters, settings and vocabulary. Two pieces of writing will then be produced, one narrative and one non-fiction.

#### The children will learn to...

- Express time, place and cause using adverbs
- Use the present perfect form of verbs
- Use paragraphs as a way to group related material
- Use descriptive language
- Use inverted commas to punctuate direct speech

We will read our class book 'It was a Wild and Stormy Night' and compare it to other Janet and Allan Ahlberg books. We will also be reading a range of non-fiction and poetry in our guided reading sessions.

### As Scientists, we will ...

be exploring magnets and forces and will:

- Learn about the three types of forces and how they affect objects
- Look at friction and how objects move
- Learn about the Earth's magnetic field and how this can be used in daily life

### As Spellers, we will study...

- Words ending in -ion
- Adding a range of prefixes, re- anti- super- sub
- Tricky words and homophones linked to our writing and topics

### As Geographers, we will... be studying Europe.

We will learn.....

- Which countries are in Europe?
- What are some of the key physical and human features of Europe?
- What is it like in the countries of Northern and Eastern Europe?
- What is it like in the countries of Western and Southern Europe?
- Where is Italy and what are its physical features?
- What is it like to live in Rome?

# LACEY GREEN PRIMARY ACADEMY

## Year 3 Summer 2 Learning Overview

### In PSHE & RSE we will...

Learn about..  
Communication and  
Collaboration- working with  
others and being  
responsible.

We will also learn about  
Expressing opinions and  
setting goals.

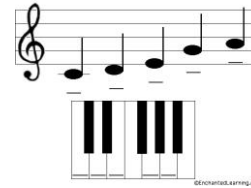

### As presenters in Computing, we will...

Create a report using iMovie

#### We will...

- Plan, record and edit a report using iMovie and iPad features

### As Musicians, we will....

- Listen to and evaluate music from other cultures e.g., China and pentatonic music
- Understand and know how the music they are playing fits into a time scale and the geography of the world e.g., Calypso

### In P.E, we will.....

- Learn how to play Netball and Trigolf

#### We will...

- Grip a golf club appropriately
- Putt a ball towards a target with some accuracy
- Throw overarm powerfully and accurately
- When to attack and defend
- Work alongside others to agree tactics

### As Artists, we will look at... Printing

- Research Gustav Klimt in art journals
- Explore Klimt's artwork and create artwork inspired by him

### As French speakers, we will learn about...

#### A visit to Paris project

- Famous monuments and places to visit
- What Paris is famous for
- Read carefully and show understanding of words, phrases and simple writing
- Present ideas and information orally

### In RE, we will...

consider the key question in Christianity:

Could Jesus really heal people?  
Were these miracles or is there some other explanation?
