

LACEY GREEN PRIMARY ACADEMY

Year 1 Summer 2 Learning Overview

100 Square Grid

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

As Mathematicians, we will...

- Learn place value to 100.
- How to count 100
- About ordering and comparing numbers to 100.
- Making numbers using dienes.
- Explore time.
- Learn about money.

Keep practising on Numbots
<https://play.numbots.com>
 and your number bonds to
 10 and 20
<https://www.topmarks.co.uk/maths-games/hit-the-button>

As Writers, we will...

Read the vehicle text 'The Last Wolf' written by Mini Grey.

We will share this beautifully illustrated story, thinking about vocabulary choices such as adjectives and adverbs. We will also think about alternative punctuation including exclamation marks and question marks.

The children will continue learn to use...

- Capital letters for names and the start of sentences.
- Full stops.
- Finger spaces.
- Story language in their writing.

As Readers, we will....

Explore lots of different stories and poems.

We will...

- Make inferences about characters' feelings, thoughts and motives from their actions.
- Answer retrieval questions by finding evidence from the text.

As Scientists, we will...

Begin our final unit about Plants

We will learn to be able to...

- Name common garden plants.
- Name common wild plants.
- Talk about the parts of a plant and tree.

In Phonics we will...

- Continue to consolidate sounds and improve our fluency.

In Geography, we will...

Begin our unit called "Beside the Sea."

We will learn about ...

- What the seaside is.
- The human and physical features of the seaside.
- Staying safe at the seaside.

LACEY GREEN PRIMARY ACADEMY

Year 1 Summer 2 Learning Overview

In Personal Development our unit is...

Money

We will learn about

- How to earn money.
- How to save money and keep it safe.

As French speakers, we will...

- Revisit Greetings.
- Learn out numbers, colours and animals in French.

As Computer Programmers, our topic is:

We are astronauts

We will learn how to...

- Use Scratch JR.
- Create a simple program.
- Use and create simple coding to create a space program.

In P.E, we will....

- Learn about gymnastics including balancing and spinning on points.
- Learn about striking and fielding in different sports.

As Artists, we will....

- Learn about the artist Jean Miro.
- Explore the tie dye technique to create different patterns.

In RE, we will...

Learn about Judaism

We will consider the key questions:

How does celebrating Chanukah make Jewish children feel closer to God?

As Musicians, we will focus on...

Beat

- How to create a steady beat through movement and body percussion.
- Perform short rhythmic patterns.

In Design and Technology, we will...

Research Cath Kidston

- Plan a design inspired by our research
- Join fabrics together using different techniques
