

Lacey Green Primary Academy: PE and Sport Premium Funding Report 2024-2025

What is the Sports Premium Grant?

The School Sport Premium is a funding package from the government, designed specifically for Primary School PE and school sport. This funding comes from the Departments of Education, Health, and Culture, Media and Sport. It's given as a lump sum with a little extra per pupil, and it's important that it's only spent on PE and sport activities within the school. As an Academy, our payments come directly from the Education Funding Agency (EFA).

For the academic year 2024-2025, Lacey Green Primary Academy received **£19,680**. We're using this to keep up the fantastic progress we've made in PE over the past few years. Our goal is to continue delivering high quality PE lessons across the school; provide a wealth of opportunities for our students to engage in sports events, festivals and competitions and help our staff feel even more confident in teaching these lessons. We truly believe this is the best way for this funding to have a long-lasting and positive effect on our children's physical development and learning.
