

# AREA OF LEARNING: Science

## Science | 7 Year Overview

Biology		Chemistry		Physics		
	Autumn Term 1	Autumn Term 2	Spring Term		Summer Term 1	Summer Term 2
EYFS	<u>(Wonderful Me )</u> Seasons, life cycles, human body	<u>(Space)</u> Seasons, states of matter, space	<u>( Fairy Tales)</u> Seasons, plants, materials	<u>(Dinosaurs)</u> Fossils, animals, life cycles, states of matter	<u>At the Bottom of the Garden)</u> Seasons, plants, life cycles, animals and habitats	<u>( The Ocean)</u> Floating and sinking, materials, weather
Year 1	Everyday Materials	Autumn and Winter	Amazing Animals		Spring and Summer	Plants
Year 2	Uses of Materials	Animals: Needs and Survival	Habitats		Protecting our Environment	Plants: Bulbs and Growth
Year 3	Skeletons, Muscles and Nutrition	Rocks	Light and Shadows		Plants: Need for Survival	Forces and magnets
Year 4	Teeth and Digestion	States of Matter	Living Things and Environments		Sound	Electricity
Year 5	Earth and Space	Forces	Materials: Properties and Changes		Life Cycles	Growing Older
Year 6	Light	Classification	Evolution and Inheritance		Electricity	Circulatory System and Lifestyle
