

Session 9 (Literacy): Kit Creator

WARM UP - YOU WILL NEED...

- Pen and paper
- Pencils/Felt tips
- Paint
- Old magazines
- Glue

OR...

- An iPad with relevant apps:

MATCH

In this session your child can let their imaginations run wild as they create a new first team playing kit for their chosen Premiership Rugby club.

Encourage your child to think about the 'colours' of their chosen club. Ask them to research the history of the club - this may influence what they include in their design.

Using the key information they find, and previous club designs for inspiration, ask your child to design a new playing kit for their club.

Use the template provided below or create your own from scratch. They might like to use paints, or even create a collage to showcase their kit.

Once designed, ask your child to add some text around the kit to advertise the features. **Remember to use persuasive language to promote it!**

Your child can do this activity digitally using apps such as Sketches School.

COOL DOWN

When your child's kit is complete, ask them to explain the choices behind their design, and any interesting information they have discovered.

SHARE

Please share the newly designed club playing kit on Twitter tagging @premrugby, your Premiership Rugby Club and use #ChampionsAtHome
