

Session 12 (Numeracy): Premiership Rugby Classics

WARM UP - YOU WILL NEED...

- Pencil and paper
- Recording device
- Teamwork

OR...

- An iPad with relevant app:

MATCH

In this session, your child will watch some of the best tries from the Gallagher Premiership and complete some numeracy based questions, before re-creating their favourite try.

Discuss with your child the importance of Teamwork in rugby. Ask them, **What other values do you think are important in the game?**

Watch these Gallagher Premiership tries compilation with your child. Ask them, **can you see any examples of good teamwork in the any of the tries scored?** Having watched all of the tries, ask your child to complete the numeracy activity sheet below.

Now it's time to get active and be creative...

Ask your child to recall a try scored by their favourite Gallagher Premiership rugby player - if they don't have one, try watching some online at premiershiprugby.com. As a family, recreate your child's favourite try, safely, in an open space.

COOL DOWN

Now your child has recreated their favourite try, can they use editing software, e.g. iMovie, to add 'matchday' commentary?

SHARE

Please share your child's recreated try on Twitter tagging @premrugby, your Premiership Rugby Club and use #ChampionsAtHome
