We're thrilled to announce that Philippa Leathley, author of the fantastic Inkbound series, will be joining us to launch the Reading Champions KS2 Book Award 2027.

Philippa's debut novel, *Meticulous Jones and the Skull Tattoo*, was voted the winner of the first ever Reading Champions Book Award, so we can't wait to welcome her back to Cheshire and celebrate the publication of its sequel, *Meticulous Jones and the Shadow Compass*.

Engaging, fun and interactive, Philippa's talks are aimed at pupils in years 5 and 6. Your pupils will also be the first to find out which books have been shortlisted for the 2027 Book Award!

Open to primary schools who subscribe to our gold package, this free event will be held at the Education Library Service in Winsford. Each school can bring a maximum of 4 pupils in the first instance. Places are limited and offered on a first come, first served basis.

To book your place, please email educationlibraryservice@cheshirewestandchester.gov.uk or call 01606 275801.
