Art and Design Knowledge Organiser		Year 4- Autumn

Key Vocabulary

Designer: is a person who visualizes a concept that is in the abstract form and prepares the blueprint.

Artist: is a person who does the work of painting, drawing and sculpting.

Surface Pattern, artwork that repeats in pattern, for example, wallpaper, wrapping paper, upholstery and furnishings, mugs and stationary and much more.

Repeating pattern: artwork that repeats seamlessly and without interruption so that it can cover an area of any size.

Tessellated pattern: is one that locks together, in both directions when repeated.

What we will learn

-Know that artists can work with pattern for different reasons: Understand Surface Pattern Designers work to briefs to create patterns for products and Artists work with pattern to create paintings or other works.

-Explore the work of an artist who creates artwork inspired by pattern (Shaheen Ahmed, Rachel Parker, Andy Gilmore).

-Know that working with pattern uses many different concepts including repetition, sequencing, and symmetry.

-Make a tessellated design and think about colour and shape, exploring positive and negative shapes

-Make a repeating pattern, exploring colour, shape and composition.
