Alma Park BrainBuilder Year 2 Themes for Autumn 2 Half Term

* Choose a topic you are interested and write a set of instructions relating to that topic. For example, if you love animals, could you make some instructions showing how to care for animals properly? If you enjoy a computer game, could you explain how to play this?

* Create a game to practise adding or subtraction.

* Create an abstract style picture of Autumn or Winter. You could do this from your imagination, from school or from another place you have visited!

* Go round your house and find all the things that produce sound. Could you explore and record different ways to make sound yourself?

* Create a poster about Pakistan or the UK.

You can either choose one of the themes above for your project or you may choose to do them all! It's up to you how many you would like to do.

Date for families to drop in to celebrate what they have done:

9:00 – 9:30am on Monday 14th December 2026
