Alma Park BrainBuilder Year 5 Themes for Autumn 2 Half Term

* Create your own bag/container that has used the skills of stitching

* Find out about the Mayans – research any topic you have done before or would like to find out. Present it how you like e.g. sports/daily life/games/food/music

* Make your own game using multiplication and division.

* Write a story with character speech – You can publish this and create your own book or comic for people to read.

* Create a model or draw a diagram of how the different forces work – Think about parachutes, kites, trampolines, magnets, brakes (on cars and bikes).

* Create your own movie using the techniques learnt in Computing

You can either choose one of the themes above for your project or you may choose to do them all! It's up to you how many you would like to do.

Date for families to drop in to celebrate what they have done:

9:00 – 9:30am on Monday 14th December 2026
