

Alma Park Brain Builder Year 1

Themes for Summer 1 Half Term

*Can you find a recipe for a vegetable dish or a fruit dish and make it. Send us photograph of you making it with your grown up and a photo of the finished dish.

*Who was Pablo Fanque? What did he do? Can you design a poster telling us all about him?

*Can you make a model of a mosque, church, temple or synagogue?

*Look around your house and see how many different materials you can find in each room. Why has that particular material been used to make the objects. Find an interesting way to record your findings.

*Can you paint, draw or collage a Spring picture?

You can either choose one of the themes above for your project or you may choose to do them all! It's up to you how many you would like to do.

**Date for families to drop in to celebrate what
they have done:**

9:00 – 9:30am on Monday 20th May 2024

We will take photos of the projects and share these with families on our class webpage.
