Headteacher's Notes

Dear Parents and Carers,

We have had another productive week at Robins Lane Community Primary School. All our building works are finished and the site is back to normal. Yesterday, the person in charge of our roofing project asked if he could have a word with me about our children. He said that his team have worked in many schools across the North West over many years and the whole team had commented on our children and how their manners shone so brightly – his team commented on how the children opened doors, smiled and said 'You're welcome' when they were thanked – they were so impressed. I am bursting with pride as our children are clearly living their WINGS values for all to see – what wonderful feedback!

In my Tuesday assembly this week, we celebrated the incredible life of astronaut Sally Ride, the first American woman in space. Her story sparked curiosity and admiration in our pupils, reminding us all that determination, resilience and a love of learning can take you anywhere - even into orbit! We talked about how Sally Ride broke barriers and encouraged young people to pursue science and dream big. Thank you to Pheobe, in our Year 5 class, for requesting this book to be shared in assembly. I look forward to sharing another title from our wonderful, 'Little People, Big Dreams' collection next week.

Mrs Williams has asked me to pass on a belated thank you for supporting our Scholastic Book Fair which was in school a few weeks ago. We really appreciate the efforts and generosity of everyone who visited and purchased books at our book fair. Thanks to your generosity, we raised money towards buying new library books. These funds will go directly toward expanding our library's collection of comics and graphic novels which have been requested by our readers and are perfect for engaging even our most reluctant readers.

Well done to our Year 3 footballers who took part in the Ruskin Drive school tournament yesterday. They competed against 5 schools from across the borough and learnt lots from this experience. Thank you to Mrs Pratt and Mrs MacKenna for supporting the children on this outing.

Just a quick reminder that Parents' Evening will be held next week on Monday and Tuesday. If you haven't yet booked your slot via Arbor, please do so or contact the school office for assistance. We look forward to welcoming you into school to discuss your child's progress and to celebrate their achievements.

As the weather turns cooler and layers increase, please ensure that all items of school uniform - including coats, jumpers, and PE kits are clearly labelled with your child's name. This helps us return lost items quickly and keeps our lost property box from overflowing.

Thank you for your continued support. Have a lovely weekend!

Yours sincerely,
Mrs Tomkow
