Headteacher's Notes

Dear parents and carers,

It has been another busy week at school, full of energy and activity. Thankfully, the weather is starting to thaw ever so slightly, and with this in mind, please can I ask children to come to school with a warm coat. If you need any help with coats or any uniform, please do get in touch. We have an abundance of coats, and uniform waiting for new homes.

This week our after-school clubs sprang back to life and it was wonderful to see so much enthusiasm around school, starting with History Club with Mr Rogers, where he sparked curiosity as children explored fascinating fossils and how they help us to understand what happened in the past. Everyone was highly engaged, asked lots of great questions, and showed real enthusiasm for the topic. In Lego Club with Miss Kilbane, children were buzzing with creativity and teamwork as children designed and built imaginative models. In Computing Club with Mrs Williams children displayed their fantastic mathematician skills while accessing TTRS and maths games on Purple Mash.

Years 1 - 6 have begun a variety of short-term music projects this week, led by St Helens Music Service. The children have had the opportunity to try percussion instruments such as glockenspiels and drums, as well as ukuleles and recorders! Each class is excited to progress with mastering their instrument and work on the knowledge and skills required to be able to perform a notated piece in just a few weeks' time.

This week, Year 2 enjoyed a wonderful "Parents to School" session on Tuesday morning, where parents joined their children for a fun, hands-on lesson all about coins and their values. Mr Varker said it was a joy to watch the children proudly demonstrate their learning, working together to recognise different coins, make amounts and solve practical problems. These are important life skills that will serve them well! A huge thank you to everyone who came along and got involved. We look forward to welcoming more families next week as Year 3 hold their 'Parents to School' session on Tuesday.

In Mr Cox's WINGS assembly this week, he read 'Oh, the Places You'll Go!' by Dr. Seuss. This story teaches children to be hopeful, resilient and the power of self-belief. It brings to life our school values beautifully by encouraging kindness when others face difficult moments, the ability to strive to succeed providing our abilities are used wisely, and the idea that children can dream big and be resilient- even when things go wrong.

Thank you again for all your support this week, to parents for joining in, to staff for their dedication, and to the real stars of the show, our children for their enthusiasm and hard work. I hope everyone has a restful and enjoyable weekend with time to relax and recharge, and I look forward to another great week together.

Yours sincerely,
Mrs McKeon
