# Headteacher's Notes

Dear parents and carers,

I hope everyone had a wonderful and restful half term. It has been lovely welcoming the children back into school, and we're so pleased to see them settling quickly back into their routines. The classrooms are lively and cheerful again, and the children have already been showing great enthusiasm for their learning as we begin this new half-term together.

Our after-school clubs started back this week and, as always, they have been incredibly popular with the children. It has been wonderful to see so many enthusiastic children enjoy a range of exciting activities at the end of the day. This term, we are delighted to offer Funky Fingers with Miss Graham, Football Club with Mr Lownsborough, TTRS Club with Miss Mawdsley, and Science Club with Mr Varker. A huge thank you to all the staff who give their time and energy to run these clubs. Their dedication ensures our children experience a rich variety of after-school activities that they look forward to each week.

On Thursday afternoon, Year 5 and some Year 6 pupils attended their first swimming lesson of the half-term at Queens Park. The children represented our school brilliantly, showing great enthusiasm and excellent behaviour throughout the session. We are excited to see their confidence and skills grow over the coming weeks as they continue their swimming programme.

This week, I had the pleasure of showing several local Headteachers around our lovely school as they attended a meeting hosted here focusing on SEND provision. As always, I was incredibly proud of our school, children and staff. The visiting Headteachers were full of praise for our beautiful school environment and, most importantly, for our warm-hearted children. They were incredibly impressed by the children's conduct, their polite and welcoming nature, and the high level of engagement they showed in their lessons. It was wonderful to hear such positive feedback, and we should all feel very proud of our amazing school.

A gentle reminder that World Book Day is taking place next week, on Thursday 5th March. We will be holding a 'Vocabulary Parade'. Children are invited to think of an ambitious, interesting word and come to school dressed to represent that word. Mrs Williams has planned an exciting day full of activities that will truly celebrate our love of reading, language, and imagination. We can't wait to see the children's creative ideas!

Have a wonderful weekend! As we step into March this weekend, let's hope the sunshine joins us in welcoming the new month. Brighter days are on the way, and we're looking forward to everything this next half-term will bring.

Yours sincerely,  
Mrs McKeon
