Headteacher's Notes

Dear Parents and Carers,

As we reach the end of another busy and successful week at school, I would like to take the opportunity to celebrate some of the wonderful achievements and experiences taking place across our school community.

This week, our Year 6 children completed their End of Key Stage 2 SATs papers. Over the course of the week, they tackled assessments in spelling, grammar, reading, arithmetic and mathematical reasoning with determination, resilience and maturity. We are incredibly proud of the effort and positive attitude they have shown throughout the process. To celebrate all of their hard work, the children enjoyed a well-deserved day in comfy clothes today, received their special Year 6 leavers' hoodies, had a pizza party and watched Matilda together. We are already very much looking forward to watching their own performance of Matilda later this term.

Meanwhile, our youngest children have been busy exploring the wonders of nature. Nursery children planted their own sunflowers and have been learning about what plants need in order to grow and thrive. They also enjoyed a very special visit from some butterflies this week, which sparked great excitement and curiosity. The children were absolutely fascinated as they observed them up close.

During this week's Pol-Ed class assembly, children learned important messages about staying safe near open water. As the weather becomes warmer and children begin spending more time outdoors, we reminded them of some key safety messages. Open water can present hidden dangers such as strong currents, slippery edges, cold temperatures and submerged objects that may not be visible. Children were encouraged to:

- stop and think before going near water,
- stay together with friends and family,
- keep away from water edges,
- and always ensure a trusted adult knows where they are.

We would also like to remind families that on Thursday 21st May we will be holding a special BBQ Party Meal for children who usually have school dinners. If you would like your child to enjoy a school dinner on this day, please remember to select their preferred option on School Grid by Monday 18th May.

Finally, we are excited for the many events and opportunities planned for Summer 2. Please look out for the separate letter containing further details.

Thank you, as always, for your continued support. We hope you all enjoy a restful and enjoyable weekend.

Yours sincerely,
Miss Middlehurst
