

Welcome to Year 6

Our names are Mrs Taylor and Miss Taylor. Learning in Year 6 is supported by Mrs Jones.

During the Autumn term, we will be looking at a range of topics in our class.

In Maths, we are looking at place value and the four operations (addition, subtraction, multiplication and division).

During literacy, we are basing our writing on our class book. We will use this as inspiration to write a piece of fiction and information writing. It will also be the basis of our reading lessons.

In the afternoons, we will look at a wide variety of topics, such as light in science, where our things come from in geography and World War Two in history.

Art

Children receive weekly art sessions led by Mrs Walsh.

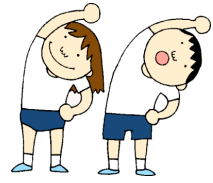

PE

Our PE days are **Thursdays** (with Mrs Adamczyk). Please make sure that your child has a named kit, which includes black pumps or trainers, black shorts and either a green or white t-shirt. Long hair needs to be tied back. All earrings need to be removed before school or the lesson for PE sessions. Where ears have recently been pierced, it is essential that children have their own plasters

from home to cover their earrings. This needs to be done either at home or by the child themselves. This is in line with the school policy.

On **Tuesdays** we will have a swimming slot at Crewe Life Style Centre. This will be for 6A in the first half term, and 6B in the second half term. Please make sure that your child brings a swimming costume/shorts and a towel.

Attendance

Excellent attendance is vital for helping your child to achieve their full potential. Please ensure your child is in school promptly at **8.40 am**.

School finishes at **3.15 pm** and children continue to be collected from classrooms at this time.

Home learning

Spellings will be given out every Tuesday to be practiced at home for a spelling test on the following Tuesday. Parents are encouraged to read with their children every day to support progress in reading and to help nurture a love for reading.

There will be weekly TT Rockstar battles against other classes, so please encourage your child to take part as times tables are a vital part of your child's education.

SATs

This is a very important year for your children with the SATs tests occurring in May 2026. Please ensure your child attends school. Booster clubs are likely to begin after Christmas - more details on the SATs process will be communicated to you in due course.
