

## Maths

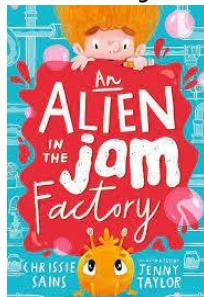

In this half-term, we will be continuing our learning on Multiplication and division. We will then be learning about money and statistics.

Children should continue to practise their times tables as this is an important skill across all areas of mathematics.

## Literacy

In Literacy this half term, we will be creating writing using our book Alien in a Jam Factory!

## Year 3

### This half term...

This half term in history, we will be finding out The Bronze and Iron Ages.

This half term in science, we will be learning more about what scientists do and carry out investigations related to space.

## We love Reading!

Thank you for reading with your children at home and recording this in their reading diary. Please remember children can quiz on their Accelerated Reader book from home too.

Reading  
is  
dressing  
with your  
eyes open

'Great readers make great writers'

### Things that you can do to help your child with their writing:

- Encourage your child to write on lines.
- Remind your child how to form the letters correctly and where to position them on the line. For example, the letter *g* hangs down below the line.
- Encourage your child to join their handwriting.
- Remind your child to use capital letters, full stops and other relevant punctuation.

### Things that you might like to do at home to support your child's learning:

- Read with your child at least 4 times a week.
- Practise their spellings with them.
- Ask them questions about books they are reading and who is their favourite author.
- Research about the Iron and Bronze Ages
- Find out more about space and different astronauts.

If you have any queries or questions regarding how to support your child with their learning please send us an email at [year3@wistastonacademytrust.co.uk](mailto:year3@wistastonacademytrust.co.uk) Thank you for your cooperation.
