

Things that you can do to help your child with their maths:

In Year 3, we are looking at time, shape and statistics.

By the end of year 3, the children need to know their 2, 3, 4, 5, 8 and 10 times tables.

Children should be able to use known facts to count in 10s, 25s, 50s and 100s.

To help your child with this encourage them to use TT Rockstars regularly.

Things that you might like to do at home to support your child's learning:

- Read with your child at least 4 times a week.
- Practise their common exception words for Year 2, 3 and 4.
- Ask them questions about books they are reading and who is their favourite author.

This half term:

Our Science topic is 'Food and Our Bodies'. We will be learning more about the importance of food and finding out more about our skeleton and muscles. At Chester Zoo, we will be leaning about the food other animals eat.

In Geography, we will be exploring coasts and the human and physical features of coastal areas.

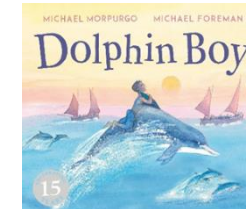

In RE, we will be looking at 'Judaism: Belief and Practice'.

In French, our topic is 'Going On A Picnic' and we will be exploring different places in France.

We love reading!

In Year 3, we will continue to build our love of reading. This half term in Literacy we will be using the book Dolphin Boy.

Please ensure your child is reading their accelerated reader book so they can quiz regularly. There are lots of books you can borrow from school to enjoy at home.

'Great readers make great writers'

'Reading is dreaming with eyes wide open'.

Things that you can do to help your child with their writing:

- Remind your child how to form the letters correctly and where to position them on the line. For example, the letter g hangs down below the line.
- Encourage your child to join their handwriting.
- Remind your child to use capital letters, full stops and other relevant punctuation.
- Sit and write a book review on the book they have read to recommend to someone else.
- Write a postcard to a friend about a trip they have been on.

If you have any queries or questions regarding how to support your child with their learning please email us at year3@wistastonacademytrust.co.uk or through class dojo.
