

Autumn 1 Learning Menu

This half-term in Year 6 we are learning:

<p>English: Our book this half-term is Dragonology. We are writing newspaper reports and a non-chronological report on our own dragon species.</p>	<p>Maths: We are learning about place value and the four operations. Our knowledge will extend to tens of millions and we will also be learning to round numbers up to the nearest ten million.</p>	<p>Geography: We will be revisiting some key geographical concepts. We will also be learning about the rainforests of the world, where we can find them and the layers of the rainforest.</p>
<p>Science: Our topic this half-term is life cycles. We will be discussing the life cycles of different types of animals including mammals, birds, amphibians, fish and reptiles. We will be comparing key parts of these life cycles and identifying similarities and differences.</p>	<p>Religious Education: Our topic is all about life as a journey. We will be looking at people of god and books from the Old Testament. We will study, in detail, the book of exodus and discuss how the Old Testament is a series of books detailing the rise and fall of humanity before the birth of Jesus.</p>	<p>Design and Technology: In class, we are preparing a seasonal soup.</p>
<p>Art: We are studying Islamic art and architecture. We will discuss how symmetrical patterns can be used and how digital media can aid our artwork.</p>	<p>Music: We are revisiting our use of the clarinet and our music theme is 'Happy'.</p>	<p>Physical Education: In P.E, we are learning how to play competitive cricket.</p>
<p>Computing: This half-term we are making spreadsheets and using the functions to help solve calculations quickly.</p>	<p>Parish Spirit: In HeartSmart, our theme is how to 'Get HeartSmart'.</p>
