

Parish CE Primary School

PHASE 1

STUDY BUDDY

Spellings

Chalk

Children can use small chalk boards, or concrete to write and practice their spellings.

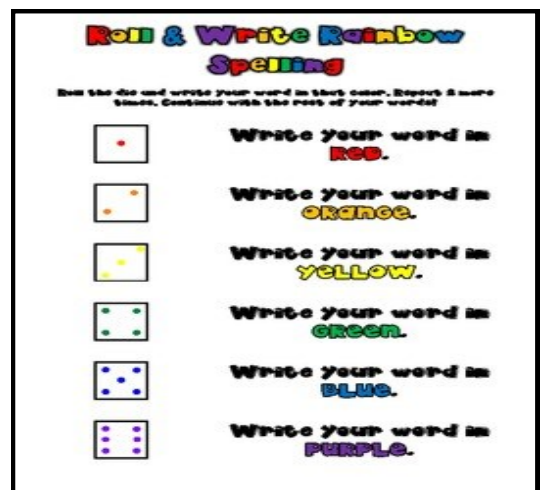

Water play

Children could use words in the bath and fish for letters to make up words within the water.

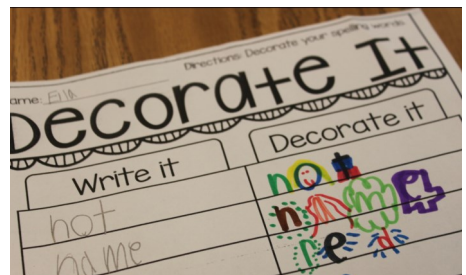

Rainbow spellings

Children can use a dice to roll a number, whatever that number is depends what colour they write their spelling in.

Crazy Writing

Children can write their word in different fonts and styles, or can write the word and then decorate the word.

Sensory writing

Children can write their word in different sensory equipment, including; sand, glitter, beans etc.

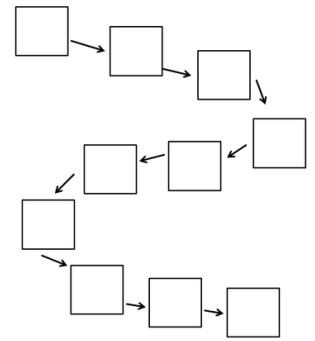

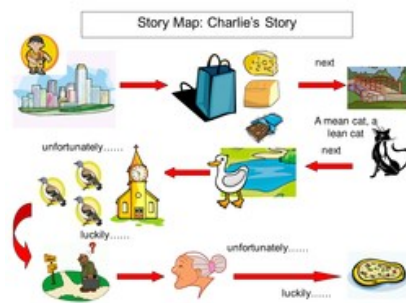

Other ideas:

Playdough, Word Dominoes, Flashcards, Jedi Writing and Bingo.

Reading

Story map

Children to retell the story, picking out the key events.

Story telling language games

Children can play memory games with words for example Once upon a time, after that, finally.

Song Sticks

Children could choose a stick and retell a story or sing the rhyme that matches.

Rhyme Cards

Children can play games with words that rhyme, for example attaching a peg to the word that rhymes with the picture.

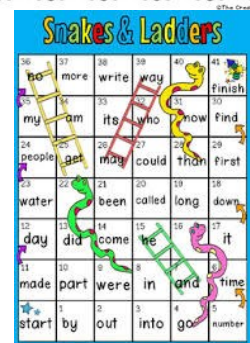

Roll and Read

Children can use dice to roll a number and read the word or sound that it lands on.

Snakes and Ladders

Children can play games like snakes and ladders to practice sounds and words.
