

Mobile Farm Visit – Wednesday 25th June

Dear Parents and Carers,

We are excited to let you know that a **mobile farm** will be visiting our school on **Wednesday 25th June** for our Early Years children!

This will be a fantastic hands-on experience where the children will have the chance to meet and interact with a variety of friendly farm animals. Opportunities like this help to bring learning to life, supporting areas such as **understanding the world, language development, and personal, social and emotional growth**. It also encourages curiosity and provides children with a deeper understanding of animals and nature.

To help cover the cost of the visit, we kindly ask for a **£5 contribution per child**.

Thank you for your continued support. We're looking forward to a fun filled day on the school field visiting the farm.

If your child has any animal-related allergies, or if you would prefer that they do not visit the onsite farm, please let us know by sending a message via My Child at School.

Kind regards,

The EYFS Team
