Queen's Park Post Friday 16th January
2026

Our value this half term is **honesty**. '*May integrity and uprightness protect me, because my hope, Lord, is in you.*' – *Psalm 25:21*

Message from Mrs Kellett

Another busy week of fun and learning has flown by at Queen's Park Primary School, and I'm excited to share some wonderful moments with you.

Our Year 4 children had an absolute blast participating in a play in a day with our friends from BTales - what an incredible experience! The creativity and energy they brought to the performance was truly inspiring.

Today, we celebrated World Religion Day, and I'm thrilled to share how our children engaged with different faith traditions across the school. Each phase welcomed a special visitor who shared their unique perspectives and experiences. Our youngest learners in EYFS spent time with Rev Cath, exploring Christianity and its rich traditions. Year 1 and 2 were particularly excited about their session with Mr Cohen, who shared fascinating insights into Jewish faith and cultural practises. The children were completely captivated by his stories and traditions. Year 3 and 4 had a special visit from Ethan and his mum, who generously shared their experiences of Muslim faith and traditions. Meanwhile, our older children in Year 5 and 6 will work with a representative from the Hindu faith, broadening their understanding of different belief systems.

I also wanted to address a quick practical matter. We've noticed some litter around our school site recently. Could I kindly ask everyone to use the bins provided? Together, we can keep our environment clean and tidy. Looking ahead, we're preparing for our Church School Inspection on Tuesday. We're excited to showcase the wonderful things that happen at Queen's Park and celebrate our strong, vision-driven community. Our children, staff, and families truly make this school special.

More photos from our World Religion Day will be shared soon, so keep an eye out for those!

Here are some really important pieces of advice if you go out near any open water, like rivers, lakes, or canals - particularly when icy!

This information has been shared with the children, but it is always worth reminding them at home, and is useful too for you as parents.

Just like the football league, if you win your match you score 3 points, 1 point for a draw and 0 points for a loss. These points will be added to the league table..

League Winners

The two teams at the top of the table at the end of the half term will win a non-uniform day. Watch out though because the teacher of the team at the bottom of the table will face a forfeit in the half termly attendance assembly!
