

Queen's Park C.E./U.R.C. Primary School

Queen's Park Post Friday 17th July 2026

Our value this half term is **hope**. "May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit." (Romans 15:13)

Message from Mrs Kellett

Where has this year gone? Honestly, it feels like we've only just settled the children into their classrooms and here we are at the end of another academic year. It's been quite a journey and I wanted to take a moment to reflect on just how much we've achieved together.

This year has given us so much to celebrate. Our children who took statutory tests (Year One, Year Four and Year Six) have delivered remarkable academic scores – the progress has been phenomenal. It's a real testament to the hard work and dedication of both our children and staff.

We're incredibly proud of what they've accomplished and it's wonderful to see their efforts recognised in such a tangible way.

Beyond the classroom, our curriculum has been truly enriched by some amazing trips and visitors who've come through our doors. These experiences bring learning to life in ways that textbooks simply can't and they create those memorable moments that children talk about long after they've happened. We've also been delighted to achieve Platinum Opal School status, which reflects our commitment to positive play and creating a positive school environment for everyone.

The sporting highlights this year have been fantastic too. Our children have shown real enthusiasm and determination across so many different activities and competitions. While we did have to make the difficult decision to cancel sports day, we've still had plenty of opportunities to celebrate our young athletes and their achievements throughout the year.

It's not just the children who've been making headlines either. Our Queen's Park family has grown in the most wonderful way – we've welcomed baby Jessica and Luca and we're looking forward to baby Forbes when the holidays begin. These moments remind us that we're more than just a school; we're a community that cares for and supports one another.

We've also hosted lots of events for parents throughout the year, giving families the chance to get involved and be part of what we do. These connections between home and school really do make all the difference to our children's experience.

As I look back on the year, I feel so proud and privileged to lead such a wonderful school. None of this would be possible without the continued support of our families and the exceptional dedication of our staff. They go above and beyond every single day and the children are so fortunate to be in their care.

So as we head into the summer break, I wanted to share some personal news. When we return in September, you will notice that I will be using a different surname.

Due to personal circumstances, I have made the decision to change my name. From September I will be Miss Bolan. While my surname will be different, my commitment to our school, our children and our community remains exactly the same.

I understand that children are naturally curious and some may notice the change. If it is discussed at home, I would be grateful if you could simply reassure them that adults sometimes change their names, just as some children and families do, and that it is a normal part of life.

Thank you for your continued kindness, understanding and support.

Please enjoy your well-deserved rest, stay safe, and we'll see you refreshed and ready for another exciting year ahead.

Mrs Kellett

Headteacher

Great British Summer Savings

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

Our Year Six

A very special mention must go to our incredible Year 6 children.

You are a truly wonderful cohort—kind, hardworking, respectful and exceptionally well-mannered. It has been an absolute privilege to watch you grow, develop and flourish into the remarkable young people you are today. Each of you has brought something unique to our school community and together you have created a year group that we will remember with great fondness.

Your journey has not always been straightforward. You began your education during one of the most significant periods in modern history, with the disruption of a global pandemic affecting your Reception and Year 1 years. Yet, despite those challenges, you showed resilience, adaptability and determination. You embraced every opportunity, supported one another and never let those early experiences define what you could achieve.

We could not be more proud of everything you have accomplished. Thank you for the joy, laughter and memories you have given us. It has been an honour and a pleasure to be part of your journey, and we know you will continue to achieve amazing things. Take the Queen's Park values with you wherever life leads you, believe in yourselves and remember that with courage, kindness and determination, everything is possible.

Attendance Extravaganza

Is it even the end of term if Mrs L doesn't pull out a blinder of an attendance extravaganza? Well done to all our attendance winners 🏆

Fun on the School Allotment

[Arbor Parent App](#)

We are pleased to let you know that from **September** we will be introducing the **Arbor Parent App** as our new all-in-one parent communication platform. This means that **ParentPay** will no longer be used and **ClassDojo** will be only for rewards and behaviour points, as all school communications, payments, and other important information will be managed through the Arbor Parent App.

We kindly ask all parents and carers to download the app now and sign in using the **email address currently held by the school**. If you experience any difficulties accessing your account or have any questions, please contact the school office **before Friday 17th July** so that we can resolve any issues before the new system goes live in September.

School Grid for ordering lunches will remain as a separate app.

Sun Safety

Remember... stay Sun SAFE...

Stay Away (from the sun in the middle of the day) The sun is super strong then! Find shade to cool off in.

Always Use Suncream: Put it on before you go out to play! Remember to reapply.

Find Protective Clothing: Hats and Sunglasses are a must! Wear them to protect yourself from the sun.

Everyone Needs to be Careful: The sun can be dangerous!

Morrison's Free Breakfast

With many families facing increased financial pressure over the summer holidays, we'd like to highlight a nationwide initiative that could provide immediate support in your local community. We're delighted to let you know that throughout the summer holidays, families can access free Kellogg's breakfasts in all Morrisons Cafes everyday

- **'Breakfast Clubs' are back to help kids and grown-ups enjoy a free Kellogg's breakfast during the summer holidays at all Morrisons Cafés nationwide**
- **Initiative aims to ease money worries during school holidays**
- **New research reveals that parents will begin to feel the financial 'pinch' around week three of the summer break**

Morrisons and Kellogg's have announced the return of their school holiday 'Breakfast Clubs', offering free meals to families across the UK to help ease the financial pressure over the summer holidays. As schools close for the summer holidays, many parents face a financial pinch, with new research from Morrisons showing that more than half (54%) of parents feel the strain during the long summer period. In fact, "week three" of the school holidays is the critical tipping point where the financial impact is most acutely felt by households. Almost half (48%) of parents also confessed they have been forced to skip meals entirely just to make ends meet and ensure their child does not go without – with breakfast being the number one thing cut from the menu.

Families visiting their local Morrisons Café throughout the summer holidays can enjoy a free 'Kellogg's Breakfast', which includes a bowl of cereal and a portion of fruit. The best part, it's not just for kids, adults get to eat completely free too.

Both kids and adults can choose from much-loved favourites Corn Flakes or Rice Krispies, topped with their choice of dairy or non-dairy milk and a free apple or banana. The summer holiday offer will be available from 29th June to 6th September across all Morrisons Cafes nationwide*.

To help keep little shoppers entertained while families enjoy their time in the Café, each 'Kids' Corner' is stocked with books and crayons. Over the summer, Morrisons Cafés will also have new activity sheets featuring colouring activities and word search. Families can take advantage of the offer every day during all school holidays in 2026* at Morrisons Cafés nationwide. In addition to the Kellogg's Breakfast offer, Morrisons popular Kids Eat Free offer will also continue to run in all of its Cafés, allowing families to enjoy a free meal and drink for one child aged 16 or under when they purchase an adult main meal costing over £5 from The Breakfasts and The Classics menu.

Water Safety Advice

OPEN WATER: DON'T TAKE THE RISK

Swimming in or playing near rivers and canals may seem like a great idea, particularly on a warm day, but it could all end in tragedy. **DON'T take the risk.**

THE WATER IS COLD...

...even on very warm days, rivers and canals contain water barely above 10 degrees. Sudden immersion can lead to cold water shock, which can cause gasping and intake of water.
This can be deadly in a matter of seconds.

DID YOU KNOW?

Even the narrowest of rivers can be considerably deep. Rivers are subject to strong flow and **hidden currents** which can trouble even the strongest of swimmers.

WHAT LIES BENEATH?

The water is untreated and can make you ill.
Canals and rivers contain pollutants, sewage and often unseen underwater obstructions and snag hazards.
Debris under the water such as shopping trolleys, broken glass and cans can cause injury or trap you.

Remember, there are no lifeguards to help you at your local river, lake, canal or dam.

Rivers can be very difficult to climb out of, especially with steep or slimy banks. **Stay clear of rivers with steep or unguarded banks.**

IN AN EMERGENCY...NEVER enter the water to try and help a person or animal. You could get into difficulty yourself. Instead, dial 999 and use any water rescue equipment that is available.

If you fall into the water unexpectedly, fight your instinct to thrash around. Instead, lean back, extend your arms and legs & float.

MERSEY FIRE & RESCUE SERVICE
www.merseyfire.gov.uk

BEACH SAFETY: KNOW THE DANGERS

MUD AND QUICKSAND

Large areas of the coast can have mud and quicksand which can cause you to get trapped and risk drowning.

REDUCE THE RISK

Check tide times
Follow warning sign advice
Avoid crossing estuaries and mud where there can be hidden channels or fast water
If trapped, **sit back and spread your weight evenly across the surface**
Stop others from trying to help you as they may get stuck
Call **999** immediately and ask for the **Coastguard**

IF YOU SEE SOMEONE STRUGGLING:

PHONE 999
Tell them to **FLOAT** on their back
THROW them something to help them float

DO NOT USE INFLATABLES

Strong currents can sweep inflatables and people out to sea

FOLLOW THE FLAGS

There are lifeguards in the area. Swim between the two flags.

Do not enter the water. There could be unseen dangers such as currents.

No swimming in this area. There may be non-powered watercraft such as surfboards, kayaks, etc. in this area.

TOP TIP
ALWAYS GO TO A BEACH WITH A LIFEGUARD

BE SAFE – HAVE FUN

- 1 STOP and THINK
- 2 STAY TOGETHER
- 3 FLOAT
- 4 CALL 999 OR 112

Beach Flags

If the beach you're at is not lifeguarded, please take extra care if you are going into the water. If lifeguards are on patrol, then you'll need to know your flags.

Red and Yellow beach flag

Lifeguard-parallel swimming and body boarding zone or lifeguard on duty. This shows the lifeguarded area and is the safest place to swim and bodyboard.

Black and White chequered beach flag.

Surfboard and other watercraft zone or zone boundary. For surfboarders, stand-up paddleboards, kayaks and other non-powered craft. Launch and recovery area for kitesurfers and windsurfers. Never swim or bodyboard here.

Red beach flag

Dangerous conditions: do not enter the water.

Orange windsock

Danger: no inflatables to be used on the water.

Indicates offshore or strong wind conditions.

Never use inflatables when the windsock is flying.

Lifeboats

The RNLI is the charity that saves lives at sea

Group Descriptions

Baby Sensory - For babies aged 0-12 months of age, this group will support bonding, attachment and the development of early skills for you and your child. The sessions will be fun and interactive with the children having the opportunity to learn through play. This session gives advice and tips on how everyday items can be used to extend your child's knowledge and increase their confidence.

Breathe Buddies - A fun and interactive arts and crafts session which focuses on breathing exercises.

Chatterbox - A speech and language support group that emphasises the important role that parent/carer play in actively engaging your child using strategies that are proven to enhance speech and language development (referral from Health Visitor or Lead Professional working with a family).

Coffee/Tea Tots - is facilitated within our family friendly areas where you can relax and enjoy free healthy food and drinks; toys and books and crafts.

Food Pantry - Parents operate as a member led neighbourhood and are just like a shop, in that you choose the food from the shelves. Members pay a small subscription each week they visit, and in return can choose groceries worth many times more, often saving up to £1,000 a year on shopping bills.

Healthy Child Clinic - for parent/carer of 0-5 year olds. Advice and support around weaning and diet, weight checks, sleep and behavioural concerns, signposting and referrals to other services and Healthy Start vouchers.

MATCH - (Men And Their children) - come along and enjoy quality time together with other Dads, Granddads, male carers with their children joining in fun and games

Mini Chef's a fun and interactive cookery session for parent/carer and children aged 0-4. Come along and create some tasty, healthy and nutritious meals and snacks.

Crafty Cooks a fun and interactive cookery session for parent/carer and children 0-11. Come along and create some tasty, healthy and nutritious meals and snacks.

Phonics Links

We have created this document so that all of the phonics links we send home are in one place. You could watch one video, two videos or even 3 videos a week! It's completely up to you.

Watch, watch and watch again - each one of the links will be a fantastic chance to practise recognising sounds and reading words, both real and alien. Don't forget to comment in your child's reading record book which video they have watched, it all counts towards their weekly reads.

Important Allergy/Food Information

St Helens Catering Service-School Lunch Special Dietary Request

Please remember to inform St Helens Catering Service if your child has a food allergy / intolerance / special requirement e.g. halal menu, The QR code will take you to a form to complete for the Catering Dept. If you need a paper copy, please pop into the office.

Once complete, can you check that the information has appeared on your School Grid account.

Green Tip of the Week

Dates for your Diary

Friday 17th July - school finishes for Summer

Wednesday 2nd September - School re-opens

Attendance Matters

**ATTENDANCE
MATTERS.**
ALL DAY, EVERY DAY

Penalty Notice Fines for School are changing

These changes came into force from 19th August 2024

1

1st Offence

The first time a penalty notice is issued for term time leave or irregular attendance it will be: **£160 per adult, per child (paid with 28 days)** Reduced to £80 per adult per child if paid in 21 days.

2

2nd Offence (within three years)

The second penalty notice issued for term time leave or irregular attendance it will be: **£160 per adult per child, paid within 28 days.** There will be no reduced rate offered

3

Third Offence and any further offences in three years

The third time an offence is committed for term time leave or irregular attendance a penalty notice will not be issued. The case will be presented to the Magistrates Court. Magistrates fines can be up to £2500 per parent, per child.

Cases found guilty in the Magistrates' Court can show on a parent's future DBS certificate due to failing to safeguard a child's education

10 sessions (5 days) within a 10-week period

Penalty Notice Fines will be considered when there has been 10 sessions of unauthorised absence within a 10-week period

309 children had perfect attendance last week! Can we beat this next week?

Attendance Update

We work really hard each and every week to make sure every class beats out school target of 97% - this will help us to succeed

*Our Attendance this week - **90.88%***

*Our Attendance this year so far - **94.34%***

Livin on a prayer chosen by Q5

'In to Win' at Queen's Park

Launching Sept 2025

Attendance Ambassadors

Our new Attendance Ambassadors (working with Mrs Mullins) will launch our new 'In to Win' league in September.

'In to Win' League

Each class are a team in our attendance league. The league table will reset after each half term. The league table will be displayed in the hall for everyone to see.

Weekly 'Matches'

Each week, two teams will compete in a match (set by the Attendance Ambassadors). Winners will be announced weekly in Star Badge assembly.

How to score points

Just like the football league, if you win your match you score 3 points, 1 point for a draw and 0 points for a loss. These points will be added to the league table..

League Winners

The two teams at the top of the table at the end of the half term will win a non-uniform day. Watch out though because the teacher of the team at the bottom of the table will face a forfeit in the half termly attendance assembly!

Some of the wonderful achievements and adventures of our children
this week

1 - Ava got a trophy at her end of season football awards and a medal for taking part in a football competition. She has had an amazing first season!

2 - Eveline received a trophy at her end of season football presentation on Saturday. She also received a medal on Sunday for completing a 5 week football tournament with her team.

3 - Jenson alongside his football team won the cup in the summer league they took part in

4 - Theo - he was this weeks winner at darts.

Have a wonderful summer holiday and see you all back here for another fun-filled year of learning on Wednesday 2nd September.
