Our Vision for Larkfield

In 5 years' time, we will be a thriving and inclusive school where everyone belongs, everyone matters and everyone has the opportunity to flourish. Pupils will leave Larkfield with the independence to think critically, the resilience to overcome obstacles, and the respect and kindness to uplift others in their school and wider community. We will create an aspirational school in which:

- **Curiosity drives learning and all children are provided a rich curriculum, promoting the development of the whole child and ensuring all pupils make better than expected progress**
- **Every child is known and valued — with outstanding pastoral care at the heart of school life**
- **Parents and carers are genuine partners — fully welcomed, involved and engaged in their children's education and wider school life**
- **Staff feel valued, supported and proud — working together with a shared purpose and high expectations**
- **Our single-form entry school is full and sustainable — a trusted first choice for families in our local community**
- **Our community knows us and trusts us — with pupils and staff recognised as positive, reliable and valued members of the local area**
