Statement of intent

St Mary's Catholic Infant and Junior Academies believes that in order to facilitate teaching and learning, good attendance is essential. Pupils cannot achieve their full potential if they do not regularly attend academy.

In line with Department for Education (DfE) 2024 guidance, we are committed to promoting strong attendance so that all pupils receive an excellent education.

We understand that barriers to attendance are complex, and that some pupils find it harder than others to attend school; therefore, we will continue to prioritise cultivating a safe and supportive environment at the academy, as well as strong and trusting relationships with pupils and parents.

We take a whole-school approach to securing good attendance, and recognise the impact that our efforts in other areas – such as the curriculum, behaviour standards, bullying, SEND support, pastoral support, and the effective use of resources such as pupil premium – can have on improving pupil attendance.

We are committed to:

- Promoting and modelling high attendance and its benefits.
- Ensuring equality and fairness for all.
- Ensuring this attendance policy is clear and easily understood by staff, pupils and parents.
- Intervening early and working with other agencies to ensure the health and safety of our pupils.
- Building strong relationships with families to overcome barriers to attendance.
- Working collaboratively with other schools in the area, as well as other agencies.
- Ensuring parents follow the framework set in section 7 of the Education Act 1996, which states that the parent of every child of compulsory school age shall cause them to receive efficient full-time education suitable to their age, ability and aptitude, and to any SEND they may have, either by regular attendance at school or otherwise.
- Ensuring our attendance policy is clear and easily understood by all staff, parents and pupils.
- Regularly monitoring and analysing attendance and absence data to identify pupils or cohorts that require more support.

The academy's attendance officer is Mrs Katherine Grange and Miss Alexandra Mowatt, and can be contacted via info@smi.allsaintsmat.org and info@smi.allsaintsmat.org. Staff, parents and pupils will be expected to contact the attendance officer for queries or concerns about attendance.

1.4 Attendance expectations

The academy has high expectations for pupils' attendance and punctuality, and ensures that these expectations are communicated regularly to parents and pupils.

Pupils will be expected to attend academy punctually every day they are required to be at academy, for the full day.

The academy day starts at 09:05am at the Juniors and 08:55am at the Infants, and pupils will be in their classroom, ready to begin lessons at this time; therefore, pupils will be expected to be on the academy site from 08:45am in the juniors and 08:40am in the infants. Pupils will have a morning break at 10:45am Infants and juniors, which will last until 11:00am, and a lunch break at 12:15 – 1:15pm Juniors and 12:00 – 1:00pm infants – pupils will be expected to have returned from each break and be ready to recommence learning at the stated times.

Registers will be taken as follows throughout the academy day:

- The morning register will be marked by 09:20am Juniors and 09:15am Infants. Pupils will receive a late mark if they are not in their classroom by this time. Pupils attending after this time will receive a mark to show that they were on site, but this will count as a late mark
- The morning register will close at 09:30am. Pupils will receive a mark of absence if they do not attend academy before this time
- The afternoon register will be marked by 1:15pm Juniors and 1:00pm Infants. Pupils will receive a late mark if they are not in their classroom by this time
- The afternoon register will close at 1:25pm Juniors and 1:10pm Infants. Pupils will receive a mark of absence if they are not present

Pupils will be encouraged to communicate any concerns related to attendance and absence as soon as possible to the relevant member of staff. The academy promotes a culture where excellent attendance is expected, recognised and celebrated, while also supporting pupils whose attendance may be affected by illness or individual circumstances.

1.5 Absence procedures

Parents will be required to contact the academy office via telephone before 9:00am on the first day of their child's absence – they will be expected to provide an explanation for the absence and an estimation of how long the absence will last, e.g. one academy day.

Where a pupil is absent, and their parent has not contacted the academy by the close of the morning register to report the absence, administrative staff will contact the parent by telephone call as soon as is practicable on the first day that they do not attend academy.

The academy will always follow up any absences in order to:

- Ascertain the reason for the absence.
- Ensure the proper safeguarding action is being taken.
- Identify whether the absence is authorised or not.
- Identify the correct code to use to enter the data onto the school census system.

Where a pupil is absent for more than three academy days in a row, or more than 10 academy days in one term, the pupil's parent will be expected to provide a signed letter with an explanation for the absence(s).

The academy will not request medical evidence in most circumstances where a pupil is absent due to illness; however, the academy reserves the right to request supporting evidence where there is genuine and reasonable doubt about the authenticity of the illness.

In the case of PA, arrangements will be made for parents to speak to the attendance officer. The academy will inform the LA and MAT, on a termly basis, of the details of pupils who fail to attend regularly, or who have missed 10 academy days or more without authorisation.

If a pupil's attendance drops below 90 percent, the attendance officer will be informed, and a formal meeting will be arranged with the pupil's parent.

Where a pupil has not returned to academy for 10 days after an authorised absence, or is absent from academy without authorisation for 20 consecutive academy days, the academy will remove the pupil from the admissions register if the academy and the LA have failed to establish the whereabouts of the pupil after making reasonable enquiries.

1.6 Attendance register

The academy uses Arbor to keep attendance registers to ensure they are as accurate as possible and can be easily analysed and shared with the appropriate authorities.

Designated staff members will take the attendance register at the start of each academy day and at the start of the afternoon session. This register will record whether pupils are:

- Present.
- Absent.
- Attending an approved educational visit.
- Unable to attend due to exceptional circumstances.

The academy will use the national attendance codes to ensure attendance and absence are monitored and recorded in a consistent way. The following codes will be used:

- # = planned whole or partial school closure
- / = Present in the morning
- \ = Present in the afternoon
- L = Late arrival before the register has closed
- C = Leave of absence granted by the school for exceptional circumstances
- S = Study leave
- C1 = Leave of absence for participating in a regulated performance or employment abroad
- C2 = Leave of absence for part-time pupils
- E = Suspended or permanently excluded but no alternative provision made
- J1 = Leave of absence for job or education interviews
- I = Illness
- M = Medical or dental appointments
- K = Attending provision arranged by the LA
- R = Religious observance
- B = Off-site education activity
- G = Unauthorised holiday
- = Unauthorised absence
- U = Arrived after registration closed
- N = Reason not yet provided

- X = Not required to be in school
- T = Traveller absence
- Q = Absent due to a lack of access arrangements or due to the pupil having to attend a school that does not qualify for travel arrangements and is more than walking distance from where they live.
- V = Educational visit or trip
- P = Participating in a supervised sporting activity, with supervision being physically provided by an appropriately trained and knowledgeable person
- D = Dual registered – at another educational establishment
- W = Attending work experience
- Y1 = Absent due to their regular transport not being available
- Y2 = Absent due to travel disruption
- Y3 = Absent due to part of the school premises being closed
- Y4 = Absent due to the school site being closed
- Y5 = Absent due to being in criminal justice detention
- Y6 = Absent due to public health guidance or law, despite the pupil being well enough to attend
- Y7 = Absent due to any other unavoidable cause, the nature of which must be documented by the school.
- Z = Pupil not on admission register

When the academy has planned in advance to be fully or partially closed, the code '#' will be used for the relevant pupils who are absent. This code will also be used to record year groups who are not due to attend because the academy has set different term dates for different years, e.g. induction days.

Where there is more than one afternoon session, and therefore the attendance register is taken more than once in the same afternoon, the academy will use the codes from the last afternoon session as the basis for its statistical attendance data.

Pupils who are absent from the academy but are receiving remote education for any reason will be marked as absent in the register.

All amendments made to the attendance register will include the original entry, the amended entry, the reason for the amendment, the date of amendment and the name and role of the person who made the amendment.

Every entry received into the attendance register will be preserved for three years.

1.7 Authorising parental absence requests

Parents will be required to request certain types of absence in advance. All requests for absence will be handled by the executive headteacher – the decision to grant or refuse the request will be at the sole discretion of the executive headteacher, taking the best interests of the pupil and the impact on the pupil's education into account. The executive headteacher's decision is not subject to appeal; however, the academy will be sympathetic to requests for absence by parents, and will not deny any request without good reason.

St Mary's Catholic Infant and Junior Academies prioritise attendance and recognise that term time is for education. All requests for leave will be considered carefully with this principle in mind.

Absence for the purpose of leave during term time can only be authorised by the Executive Headteacher, within the boundaries set by the Education (Pupil Registration) (England) Regulations 2006. Headteachers may not authorise leave during term time except where the circumstances are exceptional. Retrospective authorisation for leave in exceptional circumstances will not be granted.

The academy defines exceptional circumstances as those that are **rare, significant, unavoidable and short**. Family holidays taken during term time will not normally be regarded as exceptional.

In considering requests, the following principles will apply:

- Term time is for education. This is the priority, and attendance is valued highly by the academy.
- Decisions regarding leave are at the sole discretion of the Executive Headteacher and will be based on the individual merits of each request and the pupil's attendance record.
- Where an event can reasonably be scheduled outside of term time, absence will not usually be authorised.
- The academy will take into account the needs of families of service personnel where access to leave is restricted.
- Reasonable adjustments will be made in line with duties under the Equality Act 2010, particularly for pupils with SEND and/or disabilities.

Family emergencies will be considered carefully. In some cases, it may be in the best interests of the pupil to remain in school, where support, stability and routine can be maintained. The academy will work with families to determine the most appropriate course of action.

Leave of absence

The academy will only grant a pupil a leave of absence in exceptional circumstances. In order to have requests for a leave of absence considered, the academy will expect parents to contact the executive headteacher in writing at least two weeks prior to the proposed start date of the leave of absence, providing the reason for the proposed absence and the dates during which the absence would be expected to occur.

Any requests for leave during term time will be considered on an individual basis and the pupil's previous attendance record will be taken into account. Where the absence is granted, the executive headteacher will determine the length of time that the pupil can be away from academy. The academy is not likely to grant leaves of absence for the purposes of family holidays.

Requests for leave will not be granted in the following circumstances:

- Immediately before and during statutory assessment periods
- When a pupil's attendance record shows any unauthorised absence
- Where a pupil's authorised absence record is already above 10 percent for any reason

If term-time leave is not granted, taking a pupil out of academy will be recorded as an unauthorised absence and may result in sanctions, such as a penalty notice. The academy cannot grant leaves of absence retrospectively; therefore, any absences that were not approved by the academy in advance will be marked as unauthorised.

Illness and healthcare appointments

Parents will be expected to make medical or dental appointments outside of school hours wherever possible. Where this is not possible, parents will be expected to obtain approval for their child's absence to attend such appointments as far in advance as is practicable. Parents will be responsible for ensuring their child misses only the amount of time necessary to attend the appointment.

Performances and activities, including paid work

The academy will ensure that all pupils engaging in performances or activities, whether they receive payment or not, which require them to be absent from the academy, understand that they will be required to obtain a licence from the LA which authorises the academy's absence(s).

Additional arrangements will be made by the academy for pupils engaging in performances or activities that require them to be absent from academy to ensure they do not fall behind in their education – this may involve private teaching. These arrangements will be approved by the LA who will ensure that the arrangements are suitable for the pupil.

The pupil will receive education that, when taken together over the term of the licence, amounts to a minimum of three hours per day that the pupil would be required to attend a academy maintained by the LA issuing the licence. This requirement will be met by ensuring a pupil receives an education:

- For not less than six hours a week; and
- During each complete period of four weeks (or if there is a period of less than four weeks, then during that period), for periods of time not less than three hours a day; and
- On days where the pupil would be required to attend school if they were attending a school maintained by the LA; and
- For not more than five hours on any such day.

Where a licence has been granted by the LA and it specifies dates of absence, no further authorisation will be needed from the academy. Where an application does not specify dates, and it has been approved by the LA, it is at the discretion of the executive headteacher to authorise the leave of absence for each day. The executive headteacher will not authorise any absences which would mean that a pupil's attendance would fall below 96 percent. Where a licence has not been obtained, the executive headteacher will not authorise any absence for a performance or activity.

Religious observance

Parents will be expected to request absence for religious observance at least two weeks advance.

The academy will only accept requests from parents for absence on grounds of religious observance for days that are exclusively set apart for religious observance by the relevant religious body. The academy will define this as a day where the pupil's parents would be expected by an established religious body to stay away from their employment to mark the occasion.

The academy may seek advice from the religious body in question where there is doubt over the request.

Gypsy, Roma and Traveller absence

Where a pupil's parent belongs to a community covered by this code and is travelling for occupational purposes, the parent will be expected to request a leave of absence for their child at least two weeks in advance. Absences will not be granted for pupils from these communities under this code for reasons other than travel for occupational purposes.

1.8 SEND- and health-related absences

The academy recognises that pupils with SEND and/or health conditions, including mental health issues, may face greater barriers to attendance than their peers, and will incorporate robust procedures to support pupils who find attending school difficult.

In line with the SEND Policy and Supporting Pupils with Medical Conditions Policy, the academy will ensure that reasonable adjustments are made for disabled pupils to reduce barriers to attendance, in line with any EHC plans or IHPs that have been implemented. The academy will secure additional support from external partners to help bolster attendance where appropriate.

Where the academy has concerns that a pupil's non-attendance may be related to mental health issues, parents will be contacted to discuss the issue and whether there are any contributory factors to their child's lack of attendance. Where staff have a mental health concern about a pupil that is also a safeguarding concern, they will inform the DSL and the Child Protection and Safeguarding Policy will be followed. All pupils will be supported with their mental health in accordance with the academy's Social, Emotional and Mental Health (SEMH) Policy.

If a pupil is unable to attend the academy for long periods of time due to their health, the academy will:

- Inform the LA if a pupil is likely to be away from the academy for more than 15 school days.
- Provide the LA with information about the pupil's needs, capabilities and programme of work.
- Help the pupil reintegrate at the academy when they return.
- Make sure the pupil is kept informed about academy events and clubs.
- Encourage the pupil to stay in contact with other pupils during their absence.

The academy will incorporate an action plan to help any pupils with SEND and/or health issues cope with the stress and anxiety that attending academy may cause them. Such plans will be regularly monitored and reviewed until the pupil is attending the academy as normal and there has been signs of significant improvement.

To support the attendance of pupils with SEND and/or health issues, the academy will consider:

- Holding termly meetings to evaluate any implemented reasonable adjustments.
- Incorporating a pastoral support plan.
- Carrying out strengths and difficulties questionnaire.
- Identifying pupils' unmet needs through the Common Assessment Framework.
- Using an internal or external specialist.
- Enabling a pupil to have a reduced timetable.
- Ensuring a pupil can have somewhere quiet to spend lunch and breaktimes.
- Implementing a system whereby pupils can request to leave a classroom if they feel they need time out.
- Temporary late starts or early finishes.
- Phased returns to the academy where there has been a long absence.
- Small group work or on-to-one lessons.

Tailored support to meet their individual needs.

1.9 Truancy

Truancy will be considered as any absence of part, or all, of one or more days from academy, during which the academy has not been notified of the cause behind such absence.

All staff will be actively engaged in supporting the regular attendance of pupils, and understand the importance of continuity in each pupil's learning.

All pupils are expected to be in their classes by 9:05am Juniors / 9:00am infants and 1:15pm Juniors / 1:00pm infants, where the teacher will record the attendance electronically.

Immediate action will be taken when there are any concerns that a pupil might be truanting. If truancy is suspected, the executive headteacher is notified, and they will contact the parent in order to assess the reasons behind the pupil not attending school.

The following procedures will be taken in the event of a truancy:

- In the first instance, a letter of warning will be sent to the parents of the pupil, informing them of the truancy and stating that any future occurrences could result in further action being taken.
- If any further truancy occurs, then the academy will consider issuing a penalty notice.
- A penalty notice will be issued where there is overt truancy, inappropriate parentally-condoned absence, excessive holidays in term-time and persistent late arrival at the academy.
- The penalty notice will be charged at £120, but reduced to £60 if it is paid within 21 days of the notice being issued.

The DSL will be involved where an instance of truancy may be linked to a safeguarding concern. Any safeguarding concerns will be dealt with in line with the Child Protection and Safeguarding Policy.

1.10 Absent pupils

Pupils will not be permitted to leave the academy premises during the school day unless they have permission from the academy. The following procedures will be taken in the event of a pupil going missing whilst at academy:

- The member of staff who has noticed the absent pupil will inform the executive headteacher immediately
- The office staff will also be informed as they will act as a point of contact for receiving information regarding the search
- A member of staff will stay with the rest of the class, and all other available members of staff will conduct a thorough search of the academy premises as directed by the executive headteacher
- The following areas will be systematically searched:
 - All classrooms
 - All toilets
 - Changing rooms
 - The library
 - Any outbuildings
 - The academy grounds
- Available staff will begin a search of the area immediately outside of the academy premises, and will take a mobile phone with them so they can be contacted.
- If the pupil has not been found after 15 minutes, then the parents of the pupil will be notified
- The academy will attempt to contact parents using the emergency contact numbers provided
- If the parents have had no contact from the pupil, and the emergency contacts list has been exhausted, the police will be contacted.
- The absent pupil's teacher will fill in an incident form, describing all circumstances leading up to the pupil going missing
- If the absent pupil has an allocated social worker, is a looked-after child, or has any SEND, then the appropriate personnel will be informed
- When the pupil has been located, members of staff will care for and talk to the pupil to ensure they are safe and well
- Parents and any other agencies will be informed immediately when the pupil has been located

The executive headteacher will take the appropriate action to ensure that pupils understand they must not leave the premises, and sanctions will be issued if deemed necessary. Appropriate disciplinary procedures will be followed in accordance with the Behaviour Policy.

The executive headteacher will carry out a full investigation and will draw a conclusion as to how the incident occurred. A written report will be produced, and policies and procedures will be reviewed in accordance with the outcome where necessary.

1.11 Attendance intervention

In order to ensure the academy has effective procedures for managing absence, the attendance officer, supported by the SLT, will:

- Establish a range of evidence-based interventions to address barriers to attendance.
- Monitor the implementation and quality of escalation procedures and seek robust evidence of the escalation procedures that work.

- Attend or lead attendance reviews in line with escalation procedures.
- Establish robust escalation procedures which will be initiated before absence becomes a problem by:
 - Sending letters to parents.
 - Having a teacher review.
 - Engaging with LA/ASMAT attendance teams.
 - Using fixed penalty notices.
 - Creating attendance clinics.

The academy will use attendance data, in line with the '[Monitoring and analysing absence](#)' section of this policy, to develop specific strategies to improve attendance where patterns of absence are emerging. These strategies will be developed on a case-by-case basis, and will consider the particular needs of the pupils whom the intervention is designed to target.

The academy will acknowledge outstanding attendance and punctuality in the following ways:

- Weekly class attendance recognition, where the class with the highest attendance receives a bonus break time, and classes achieving 100% attendance receive double playtime
- Weekly 100% attendance raffle, where one pupil from the Infant Academy and one from the Junior Academy is selected to receive a prize from the lucky dip and is recognised on the attendance wall and in the school newsletter

The academy will also celebrate sustained attendance through termly awards. Pupils who achieve 100% attendance for a term are recognised in assembly.

Attendance is regularly communicated with parents and carers. Attendance certificates can be requested at any time, are shared at parents' evenings and are included in end of year reports.

Academy trips and events will be considered a privilege. Where attendance drops below 90 percent, these privileges may be taken away. The academy will develop strategies for ensuring that pupils with health needs or home circumstances that result in additional absences are not unfairly excluded from attendance rewards, e.g. by setting individualised targets and following My Attendance Banding Cards.

1.12 Working with parents to improve attendance

The academy will work to cultivate strong, respectful relationships with parents and families to ensure their trust and engagement. Open and honest communication will be maintained with pupils and their families about the expectations of academy life, attendance and performance so that they understand what to expect and what is expected of them. The academy will liaise with other agencies working with pupils and their families to support attendance, e.g. social services.

The academy will ensure that there are two sets of emergency contact details for each pupil wherever possible to ensure the academy has additional options for getting in touch with adults responsible for a pupil where the pupil is absent without notification or authorisation.

The academy will ensure that parents are aware of their legal duty to ensure that their child attends school regularly and to facilitate their child's legal right to a full-time education – parents will be made aware that this means their child must attend school every day that it is open, save for in certain circumstances, e.g. sickness or absences that have been authorised by the executive headteacher in advance. The academy will regularly inform parents about their child's levels of attendance, absence and punctuality, and will ensure that parents are aware of the benefits that regular attendance at school can have for their child educationally, socially and developmentally.

If a pattern of absence becomes problematic, the attendance officer will work collaboratively with the pupil and their parents to improve attendance by addressing the specific barriers that prevent the pupil from being able to attend school regularly. The academy will always take into consideration the sensitivity of some of the reasons for pupil absence and will approach families to offer support rather than immediately reach for punitive approaches.

Where these barriers are related to the pupil's experience in school, e.g. bullying, the attendance officer will work with the executive headteacher and any relevant academy staff, e.g. the DSL and SENCO, to address this. Where the barriers are outside of the academy's control, e.g. they are related to issues within the pupil's family, the attendance officer will liaise with any relevant external agencies or authorities, e.g. children's social care or the LA, and will encourage parents to access support that they may need.

Where a pupil's attendance falls below 90%, the academy will follow a staged support process. This will begin with a phone call home to discuss attendance and identify any barriers. A follow-up letter will then be issued confirming that attendance will be monitored over a four-week period.

If attendance does not improve within this time, parents and carers will be invited into the academy for a meeting to discuss concerns in more detail, provide medical evidence where appropriate, and agree supportive strategies.

The academy's approach is always to work in partnership with families to remove barriers to attendance at the earliest opportunity and provide appropriate support.

1.13 Persistent absence

There are various groups of pupils who may be vulnerable to high absence and PA, such as:

- Children in need
- LAC
- Young carers
- Pupils who are eligible for FSM
- Pupils with EAL
- Pupils with SEND
- Pupils who have faced bullying and/or discrimination
-

The academy will use a number of methods to help support pupils at risk of PA to attend the academy. These include:

- Offering catch-up support to build confidence and bridge gaps.
- Meeting with pupils to discuss patterns of absence, barriers to attendance, and any other problems they may be having.

- Establishing plans to remove barriers and provide additional support.
- Leading weekly check-ins to review progress and the impact of support.
- Making regular contact with families to discuss progress.
- Assessing whether an EHC plan or IHP may be appropriate.
- Considering what support for re-engagement might be needed, including for vulnerable groups.

The academy will focus particularly on pupils who have rates of absence over 50 percent, and will work with the LA and other partners to engage all relevant services needed to identify and address the wider barriers to attendance these pupils are facing.

Where a pupil at risk of PA is also at increased risk of harm, the academy will work in conjunction with all relevant authorities, e.g. social services, to support the pupil in line with the academy's duty of care. The academy will also bear in mind that the continuation of severe PA following intervention may, in itself, constitute neglect, and will escalate any concerns in this regard in line with the Child Protection and Safeguarding Policy.

1.14 Penalty notices and legal intervention

The academy will allow sufficient time for attendance interventions and engagement strategies to improve pupils' attendance; however, where engagement strategies to improve attendance have not had the desired effect after one term, the attendance officer will consider:

- Holding a formal meeting with parents and the academy's point of contact in the academy Attendance Support Team.
- Working with the LA to put a parenting contract or an education supervision order in place.
- Engaging children's social care where there are safeguarding concerns.

Where the above measures are not effective, the executive headteacher will issue a notice to improve as a final opportunity for parents to engage in support and improve attendance before a penalty notice is considered.

Where a pupil reaches the national threshold of 10 sessions of unauthorised absence in a rolling period of 10 school weeks, the academy will consider whether a penalty notice is appropriate. Each case will be considered individually to determine whether a penalty notice or another tool or legal intervention should be used to improve attendance.

A fixed penalty notice will be issued in line with the LA's code of conduct and the DfE's ['Working together to improve school attendance'](#) guidance.

Penalty notices will be charged at £120, reduced to £60 if paid within 21 days.

Parents will only get up to two fines for the same child in a three-year period. Once this limit has been reached, other action such as a parenting order or prosecution will be considered.

Where attendance still does not improve following a fixed penalty notice, the academy will work with the LA to take forward attendance prosecution as a last resort.

Parents who are prosecuted and attend court because their child has not been attending school may be fined up to £2,500.

Education Supervision Orders (ESOs)

Where interventions have not been successful, an ESO can be an alternative to provide formal legal intervention without criminal prosecution. ESOs are made through the Family or High Court and give the LA a formal role in supporting the pupil and parents to improve their attendance. LAs will issue parents with a notice of the intention to consider an ESO, set up a meeting to discuss with the parent and pupil, and decide whether the case will be taken forward.

Once an SEO is secured, a supervisor from the local authority will decide any actions or requirements. These may include:

- Requiring the parents to attend support meetings.
- Requiring the parents to attend a parenting programme.
- Requiring the parents to access support services.
- Requiring an assessment by an educational psychologist.
- Review meetings involving all parties to be held every 3 months.

Failing to comply with an SEO will result in a fine and decisions will be made about whether further action is required.

1.15 Monitoring and analysing absence

The attendance officer will monitor and analyse attendance data regularly to ensure that intervention is delivered quickly to address habitual absence at the first signs.

The academy will collect data regarding punctuality, truancy, and authorised and unauthorised absence, for:

- The academy cohort as a whole.
- Individual year groups.
- Individual pupils.
- Demographic groups, e.g. pupils from different ethnic groups or economic backgrounds.
- Other groups of pupils, e.g. pupils with SEND, LAC and pupils eligible for FSM.
- Pupils at risk of PA.

The attendance officer will conduct a thorough analysis of the above data on a half termly, termly and full year basis to identify patterns and trends. This will include identifying, for each group:

- Patterns in uses of certain codes.
- Particular days of poor attendance.
- Historic trends of attendance and absence.
- Barriers to attendance.

The attendance officer will provide regular reports to staff across the academy to enable them to track the attendance of pupils and to implement attendance procedures. The attendance

officer will also be responsible for monitoring how attendance data changes in response to any interventions implemented to increase attendance in future.

The local academy council will regularly review attendance data, including examinations of recent and historic trends, and will support the SLT in setting goals and prioritising areas of focus for attendance support based on this data.

The academy will also benchmark its attendance data against local-, regional- and national-level data to identify areas of success and areas for improvement, and will share practice which has been shown to be effective with other schools.

the board of trustees will ensure staff from different academies within the trust regularly share expertise and collaborate on interventions.

1.16 Training of staff

The academy will recognise that early intervention can prevent poor attendance. As such, staff will receive training in identifying potentially at-risk pupils as part of their induction and refresher training.

The local academy council will ensure that teachers and support staff receive training in line with this policy as part of their induction. Following this initial training, staff will receive regular and ongoing training as part of their development.

Training will cover at least the following:

- The importance of good attendance
- That absence is almost invariably a result of wider circumstances
- The legal requirements on schools, e.g. the keeping of registers
- The academy's strategies and procedures for monitoring and improving attendance
- The academy's procedures for multi-agency working to provide intensive support for pupils who need it

The local academy council will provide dedicated and enhanced attendance training to the attendance officer and other staff with specific attendance functions in their role – this will include training regarding interpreting and analysing attendance data and supporting pupils to overcome barriers to attendance.

Staff will receive training to ensure they understand that increased absence from academy could indicate a safeguarding concern, and know how such concerns should be managed.

1.17 Deletions of names from the admissions register

The academy will ensure that it only deletes names from the admission register for a reason set out in regulation 9 of the School Attendance Regulations. A pupil's name will never be removed for any other reason and the academy is aware that doing so could constitute off-rolling.

The academy will make returns to the LA when pupils' names are deleted from the admission register. This will be with the exception of pupils whose name has been deleted from the register at or after the end of the last term of the academy year when they are in the most senior year group, unless the LA has requested this information.

When the academy is notifying the LA that a pupil's name is being deleted from the admission register, the following information about the pupil will be provided:

- Full name
- Address
- The full name and address of any parent the pupil normally lives with
- At least one telephone number by which any parent the pupil normally lives with can be contacted in an emergency
- If applicable, the pupil's future address, the full name and address of the parent who the pupil is going to live with and the date the pupil will start living there
- If applicable, the name of the pupil's other academy and when the pupil began or will begin to attend the academy
- The reason under which the pupil's name has been deleted from the admission register

Names will never be retrospectively deleted from the admission or attendance register – these registers will remain an accurate record of who is a registered pupil and their attendance at any given time. Pupils' attendance will be recorded up until the date that their name is deleted from the admission register.

1.18 Monitoring and review

Attendance and punctuality will be monitored throughout the year. The academy's attendance target is 97 percent.

This policy will be reviewed annually by the executive headteacher. The next scheduled review date for this policy is September 2027.

Any changes made to this policy will be communicated to all relevant stakeholders.
