OUR CHRISTIAN VALUES

THANKFULNESS

We give thanks to God and take care of things we are given.

GENEROSITY

We are kind and generous to others with our time, our gifts and our abilities.

FORGIVENESS

We know that forgiveness is always possible with God's love.

JUSTICE & PEACE

We treat others fairly and include everyone. Without justice there can be no peace.

PERSEVERANCE

We always try our best – even when it's hard!

SERVICE

We are willing to do things for God and others. We are willing to do things for God and others.

HELLO FROM MISS HILL!

Friday 23rd October 2026

Dear Parents,

As we reach the end of a busy half term, I would like to thank all of our children, staff and families for their hard work, support and commitment since the start of the academic year. We now look forward to a well-deserved break and hope that everyone enjoys some time to rest and recharge. When we return on Monday 2nd November, we will be heading straight into the excitement of the Christmas term! Thank you again for your continued support. Have a wonderful half term break!

Miss Hill 😊

Prayer & Reflection

Dear God,

As we come to the end of this half term, we thank you for all that we have learned, the friendships we have made and the opportunities we have enjoyed. As we take time to rest and spend time with our families, keep us safe and happy. May we return refreshed, ready to learn, grow and flourish together.

Amen. ❤️

In the news this week

Nine new emoji characters, including a pickle, a lighthouse and a monarch butterfly, have been approved by the Unicode Consortium. The new designs are expected to appear on phones and other devices throughout 2027, giving people more ways to communicate using pictures. The update includes 19 additions in total, once different skin-tone versions of the new hand gestures are counted.

Things to talk about at home ...

- > Can you and someone at home tell a short story using only pictures?
- > Do you both think the same emojis mean the same thing?
- > If your family could create a new emoji, what would it show?
- > Talk about some of the other ways we might communicate without words.

Progressive Cheshire and Liverpool 🌟

We are delighted to be partnering with Progressive Cheshire & Liverpool to deliver our after-school wraparound care provision from Autumn 2 onwards. This exciting new programme will provide children with a wide range of engaging activities through four dedicated zones: Active, Wellness, Discovery and Creative, ensuring there is something for every child to enjoy!

The provision will run Monday to Thursday, 3:15pm-5:30pm, offering structured sports activities, creative opportunities, wellbeing sessions, team-building activities and time for child-led play. Breakfast Club arrangements remain unchanged.

We are excited about the opportunities this partnership will bring and look forward to providing children with a high-quality, enriching and enjoyable experience at the end of the school day. Further booking information is available via School Spider.

Messy Church - Everyone Welcome! 🍰🙏

Reverend Margaret warmly invites families to Messy Church at Kingsley St John's Primary School on Thursday 5th November, 3:45pm-5:45pm.

Come along and enjoy an afternoon of crafts, games, stories, worship, cakes and refreshments in a fun, friendly and relaxed environment. Messy Church is a wonderful opportunity for families to explore faith together, meet new people and enjoy creative activities!

I will be joining the session and it would be lovely to see some familiar faces from Crowton there! ❤️

What Parents & Educators Need to Know about

DEEPPFAKES

KEEP PROFILES PRIVATE

To make a convincing deepfake, you need a supply of images, audio or video of the subject. That means that most non-celebrity victims are targeted via social media where there's a ready-made repository of media to train a deepfake from. Most social media companies have privacy settings to prevent unauthorised access. Enable these to keep strangers and bullies away.

KNOW WHAT TO LOOK FOR

While deepfakes are getting harder to spot, there are still telltale signs to look out for. Deepfake creation can leave blurry edges and flickering textures, especially around hair and teeth. It can also look too sleek, with models often trained on professional video. Make sure the mouth shapes match the spoken words, too. As for audio, listen out for mispronounced phrases and a slightly unusual, robotic rhythm of speech.

USE RESEARCH AND COMMON SENSE

Even perfect deep fakes rely on trust, so think critically. If it's someone you know claiming to need help, then ask them to prove they're who they say they are with an inside joke. For public figures, try Googling the person along with a bit of the contentious speech in quotation marks. Also question why you're seeing the video. If it's a paid promotion, then ask yourself who's paying and why. If someone is sharing the clip, do they dislike the target?

TALK TO YOUR CHILDREN

As well as emphasising the need for privacy and to not trust everything they see online, it's important to ensure children realise why deepfakes are problematic in the first place. With deepfake technology getting more accessible and easy to use, children can start using the technology to make deepfakes of schoolmates, teachers or other adults. Ensure they're aware of the serious trouble the technology can cause, and the ethical problems of manipulating someone's image without consent.
