

Mrs Madden's Class News

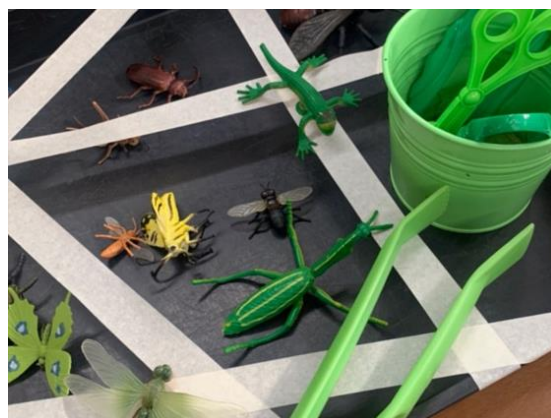

Friday 26th September 2025

This Week...

In Phonics the children learned 'i', 'n' and 'm'.

Children have been

- using tweezers and tongs to pick up **i**nsects in a tuff tray
- played '**n**ame the object' by feeling and describing objects
- playing **m**usical instruments
- practised letter formation of all the letters learned so far

We've been practising our blending and segmenting skills as well.

In Tuesday's PE lesson, the children were playing team games – teamwork makes the dream work!

Free Painting!

Trim Trail Fun!

Next Week...

We will learn two new phonic sounds; '**d**' and '**g**'. The children will be learning to subitise in maths - this means to instantly see or know how many objects are in a small group without needing to count them.

We will be thinking about what it means to be a good friend and begin to learn about Autumn.

More News...

Children, get your smiles ready for individual and siblings photographs on Monday! If you have a younger child and would like a photo including them, please arrive around 8:45am and we can accommodate this.

Many thanks for all your support and have a wonderful weekend.

Mrs Madden ☺
