

Mrs Madden's Class News

Friday 14th November 2025

This Week...

In Phonics, the children learned the phonemes: 'll, ff, ss and s saying z'.

The children have been practising counting to 20, matching groups of objects to the correct numeral, and building their early number sense.

They've also

- learned about Remembrance Day
- taken part in a commemorative silence
- practised throwing and catching in PE
- thought about what they are good at and how we all have different strengths
- enjoyed Children in Need activities

Reading Books and Story Books

THURSDAY – Books are changed

Nursery – Children choose a story book from our book corner.

Reception – Children will have a reading book and a story book from the book corner.

Please sign or make a note each time they read their **reading book** in their reading record.

3 or 4 reads - 1 spot

5+ reads - 2 spots

Once they reach 20 spots, they will receive a certificate in our Friday Celebration Assembly.

We had a lovely start to Friday with Felicity's mummy coming to read us two stories - we loved the story choices! 🐼🐻 Thank you for taking the time to come and read with us.

If you would like to be a secret storyteller, drop me a note on Tapestry and we can get it organised.

Have a wonderful weekend.

Mrs Madden 😊
