

Mrs Madden's Class News  
Friday 13<sup>th</sup> February 2026

This week, the children have been learning about Pancake Day! We talked about why it is celebrated and some of the traditions linked to it, including using up ingredients like eggs, milk and flour.

The children enjoyed designing their own pancake faces, getting creative with different toppings. We also made and tasted pancakes together, which was a real highlight of the week!

In PE, the children have been busy developing their gymnastics skills! They've been practising different body shapes and linking movements together while using a range of equipment. Through this, they are building balance, coordination, strength, and body control.

After half term, we will be learning about Lunar New Year!

Thank you for your continued support.

Have a super half term break.

Mrs Madden 😊
