

Mrs Madden's Class News
Friday 27th March 2026

Wow, I can't believe we're at the end of the Spring term already - time flies when you're having fun!

We've been busy with Easter activities this week; singing songs, playing Easter 'Who am I?' and enjoying time outside.

'Secret Storyteller' – Huge thanks to all of our storytellers this term, you've been fabulous. To arrange a session, please drop me a message on Tapestry or let me know which days suit you. They are a very easy to please crowd, so don't be daunted to sign up.

Our thanks go to Mr Smith for a fantastic term of Forest School for Reception. The children have thoroughly enjoyed making wands, searching for snakes and fun on the rope swing! Sadly, today was our last session.

Once again on behalf of myself, Mrs Hampshire and Mrs Bradbury, we'd like to thank you for your continued support.

Have a wonderful Easter break and we'll see you in the Summer Term!

Mrs Madden 😊
