

Mrs Madden's Class News
Friday 19th June 2026

Throughout the last fortnight we have been learning about the importance of respect, responsibility and patience, and how these values help us to be kind friends and members of our classroom community. Staff have been feeling a little bit sad recently, as many of our much-loved toys and resources have been broken or damaged through careless use. This has given us the opportunity to revisit our school rules:

We look after ourselves.

We look after each other.

We look after our environment.

We have been talking about what it means to be respectful, responsible and patient. We discussed examples of patience, such as waiting for a friend to finish speaking before sharing our own ideas, and how taking our time and treating resources with care helps ensure they can continue to be enjoyed by everyone. We have been encouraging the children to show these values in their everyday actions - whether that is listening carefully to others, waiting their turn, or looking after the toys and resources in our classroom. By working together on these skills, we can help to create a happy, safe and caring environment for everyone.

We would greatly appreciate your support in reinforcing these messages at home, helping the children to develop patience, respect and responsibility.

A huge thank you to Daisy's daddy and Oscar's mummy who have come to read with us recently - we loved your story choices! Thank you for taking the time to come and read with us.

We finished our topic on Bees in style with our Science: Learn with Me this morning! The children have really enjoyed thinking about how helpful and important bees are and thoroughly enjoyed sharing their learning with you! Thank you so much for attending if you were able to.

Next week we will embrace World Cup fever with football phonics, football maths, football themed fine motor and of course, we'll have more penalty shoot outs!

Monday - Non-uniform day for Beech for winning the most house points last half term - well done, Beech! Please refer to the Tapestry post added this afternoon if you are unsure if your child is in Beech or not.

We greatly appreciate your continued support as we near the end of the school year.

I hope you all have a wonderful weekend, Mrs Madden 😊
