

Mrs Madden's Class News

Friday 10th July 2026

It's been another warm week in school, the fans have been back out keeping us cool.

We started the week off by watching the KS2 production. 'Oliver with a Twist'. It was absolutely fantastic! Our children sat captivated for the whole performance.

Felicity inspired us to try out the experiment she shared on Tapestry, involving a balloon, water and washing-up liquid! We loved giving it a go — thanks, Felicity! More photos and videos on Tapestry!

Next week, we will enjoy our final week of the school year. Bring the tissues on Friday... I know I'll need them!

It is a lovely Byley tradition that, at the end of the final day of the school year, the whole school lines up outside to cheer our Year 6 children off as they leave primary school for the very last time. So, just a little heads-up in case you're wondering why I'm not dismissing the children quite as normal — we'll all be outside ready for the big send-off!

I hope you all have a wonderful weekend, see you on Monday.

Mrs Madden 😊
