Mrs Madden's Class News

Friday 23rd October 2026

This Week...

This week in phonics we learned **ff**, **ll**, **ss** and **/s/ saying z**. After half term, we will be consolidating all Level 2 sounds and practising our reading and writing skills.

In Maths, we've been reinforcing their understanding of cardinality and practising their 1:1 correspondence using conkers.

We enjoyed a lovely autumn walk through our woodland area, noticing how the leaves are changing colour and beginning to fall from the trees. We had lots of fun collecting leaves and looking closely at their different colours and shapes. We also ventured across the school field to visit the cockerels next door! It was a wonderful opportunity to explore nature, observe seasonal changes and enjoy the world around us.

More News...

Secret Storyteller –
To promote the importance of reading, we would like to invite parents (or a family member) into school to read a story or two to the class. The idea is that the secret storyteller will sneak into school without letting the child they are linked know! If you think you would like to become a 'secret storyteller' please get in contact.

Huge thanks for your continued support, it really does make a difference to your child's learning.

Have a wonderful half term.

Mrs Madden ☺
